

Seminar Report

The Department of Business Economics, Aryabhata College organized a seminar on the topic **INTRODUCTION TO BLOCKCHAINS** on 28th March 2019. The speakers for the seminar were **Yash Baheti (Co-founder and CTO of ZOLO Games)** and **Karan Dembla (Founder and CEO of ZOLO Games)**. They threw light on the blockchain and gave us information regarding different sectors of consumer internet and on **EOSIO Blockchain**. They held an interactive session with the students after his address.

The audience consisting mainly of **Business Economics** students specifically found the seminar to be very informative and intriguing. The seminar concluded with a token of gratitude to the speaker.
