Email: adoc@aryabhatacollege.edu.in

The college commenced this course in September 2020. The course structure comprise of 100 hours, including vital areas of management and finance such as Investment Banking, Equity Research, Credit Rating, Project Finance, Mergers & Acquisitions and Financial Analysis amongst others. The course was launched in an online mode due to Covid pandemic. Total 7 (seven) students were admitted in the course from Aryabhata College [BMS, B.A. in Business Economics, B.A. Economics (H.), B. Com. (H), B. Com., B. A. (P.)] and other colleges of University of Delhi namely Sri Ram College of Commerce, College of Vocational Studies and School of Open Learning (SOL).

The classes for the course started in September 2020. The course was bifurcated into different sections, covering all vital areas of management and finance such as Investment Banking, Equity Research, Credit Rating, Project Finance, Mergers & Acquisitions and Financial Analysis amongst others. A strong theoretical and practical approach based on industry's insights and requirements, case discussions, hands-on practice was followed throughout the course. A proper open discussion and feedback mechanism was followed. The course content covered all latest market updates and news followed by real time examples.

In April 2021, the course was successfully concluded and students received dual certification; first one from Aryabhata College and IMS Proschool, second one from National Skill Development Corporation (NSDC), Ministry of Skill Development and Entrepreneurship, Government of India. Hard copies of certificates were made available in the college office, which can be collected by the students following Covid protocol.

Course Feedback

Feedback was taken at different point intervals, during the course and after the completion of the course. All the students recommended it as a MUST-FOR ALL course. Students also recommended that college should continue this course year to year and they themselves desired to join advanced courses like R, Business Analytics, Data Analytics etc.

Email: add-on@aryabhatacollege.edu.in

The college commenced this course in January 2021. The course structure comprise of 100 hours, bifurcated into five units of 20 hours each namely equity market, derivatives, technical analysis, currency market and commodity market. Total 8 (eight) students were admitted in the course from Aryabhata College [BMS, B.A. in Business Economics, B.A. Economics (H.), B. Com. (H), B. Com., B. A. (P.)] and other colleges of University of Delhi namely Ramanujan College, Keshav Mahavidyalaya and other universities too i.e. Jamia Milia Islamia.

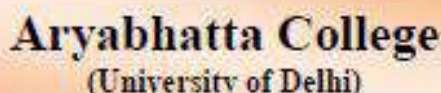

The classes for the course started in January 2021. The course was bifurcated into five units, covering all vital issues of financial markets namely equity market, derivatives, technical analysis, currency market and commodity market. A strong theoretical and practical approach based on industry's insights and requirements, case discussions, hands-on practice was followed throughout the course. A proper open discussion and feedback mechanism was followed. The course content covered all latest market updates and news followed by real time live market trading by students

In September 2021, the course was successfully concluded and students received certification from Aryabhata College. Hard copies of certificates were made available in the college office, which can be collected by the students following Covid protocol.

Course Feedback

Feedback was taken at different point intervals, during the course and after the completion of the course. All the students recommended it as a MUST-FOR ALL course. Students also recommended that college should continue this course year to year and they themselves desired to join advanced courses like Financial Modeling, Business Analytics, Data Analytics etc.

BA – 2020-21 – Course Structure

ARYABHATTA COLLEGE

(University of Delhi)

BUSINESS ANALYTICS SYLLABUS- 2020

1. Statistical Techniques	<ul style="list-style-type: none"> • Different types of data • Data summarization • Frequency table • Frequency Distributions • Histogram • Measures of central tendency and dispersion • Skewness and kurtosis • Basic Probability, Conditional Probability • Normal Distribution • Sampling methods • Point and Interval estimation • Central Limit Theorem • Null and alternative hypothesis • Level of significance • P value • Types of errors • Hypothesis Testing
2. Regression Techniques	<p>Linear and Multiple Linear Regression</p> <ul style="list-style-type: none"> • Simple and Multiple Linear Regression • R² and Adjusted R² • ANOVA • Interpretation of coefficients • Dummy Variables • Residual Analysis • Outliers <p>Logistic Regression</p> <ul style="list-style-type: none"> • Assumptions • Logistic Function • Chi-Square • Hosmer Lemeshow test • Kolmogorov-Smirnov statistic and chart • Classification Table • Interpreting Coefficients • Dependent Variable Prediction
3. Predictive Analysis	<ul style="list-style-type: none"> • Principles of Forecasting • Time Series • Causal models • Types of Forecasting Methods and their characteristics • Moving Average • Exponential Smoothing • Trend • Seasonality • Cyclicity • ARIMA
4. Applied Machine Learning	<p>Classification</p> <ul style="list-style-type: none"> • Decision Tree Induction • Bayes Methods • Rule-Based Classification • Model Evaluation and Selection • Ensemble Approaches

	<ul style="list-style-type: none"> • Random forest <p>Clustering</p> <ul style="list-style-type: none"> • Partitioning Methods • Hierarchical Methods • Density-Based Methods • Grid-Based Methods • Evaluation of Clustering • K-means Method
5. Tools	<p>Excel</p> <ul style="list-style-type: none"> • Formatting of Excel Sheets • Use of Excel Formula Function • Data Filter and Sort • Charts and Graphs • Table formula and Scenario building • Lookups • Pivot tables <p>Python & R</p> <ul style="list-style-type: none"> • Reading and Writing Data • Data types • Important Packages • Data Manipulation • Building models using learned algorithms • Evaluating and optimizing models <p>Tableau – (Data Visualization tool)</p> <ul style="list-style-type: none"> • Extracting data into Tableau • Data Preparation, Dimensions • Transformation of variables • Creating Views • Working with charts • Exporting visualisations <p>SQL – Introduction to Databases</p> <ul style="list-style-type: none"> • Terminologies – Records, Fields, Tables • Introduction to database • Introduction to SQL • SQL Syntax • SQL data Types • SQL Operators • Table creation in SQL- Create, Insert, Drop, Delete and Update • Table access & Manipulation • Select with Where Clause (In between, logical operators, wild cards, order, group by) • Concepts of Join – Inner, Outer
6. Projects	<ul style="list-style-type: none"> • Projects let you apply what you've learned in Business Analytics course to a practical problem. In project, you will be given a problem statement and the relevant data. You will apply various algorithm techniques to find an optimum solution to the problem. • Once you've completed the project, you'll be better able to apply analytical techniques to a business case and accordingly prepare a detailed report. • In case you don't have any relevant experience in Analytics, this project will enable you to showcase your expertise in a job interview.
7. Business Analytics- NSE India Certification Exam	After completion of above topics students have to take the Business Analytics Certification Exam. On clearing the exam, students will get NSE Academy Business Analytics Certificate.

EP – 2020-21 – Course Structure

Langna School of Languages English Curriculum Duration: 60 hours

The purpose of this curriculum is to enable students develop and apply good communication skills. An emphasis is placed on oral, aural and functional communication. The module is designed on the premise that the development of effective communication requires an understanding of how language works in a variety of communicative contexts. This module provides opportunities for the acquisition and application of communicative skills through active engagement with a range of texts. The term 'text' may refer to any communicative product, oral, written, or visual. The skills of communication are central to the learning activities.

This syllabus aims:

- To develop the students' understanding of the communicative process
- To provide opportunities for students to learn and practise skills in interpersonal communication
- To develop listening and understanding skills and eliminate Hindi-thinking English-speaking process
- To identify the mode of communication and register of language appropriate to a variety of communicative situations including employee-customer communication or employer – employee communication .
- To develop the students' awareness of language and increase level of vocabulary
- To familiarise students with the accurate pronunciation of terms related to conversation and technical knowledge on product or service

ORAL COMMUNICATION AND LISTENING SKILLS

Duration: 30 hours

S.NO.	Topic covered	Activities and outcome
1	Parts of speech-articles, noun, pronoun, adjectives	Exercises using parts of speech with on singular and plural basis
2	Exchange greetings and introduce her/himself in an appropriate manner in the following contexts: - to friends and family - to adults outside the family circle - to persons in authority - to work supervisor - to a client/customer in a work situation	In pairs students role-play exchanging greetings and introductions in a variety of contexts. Two volunteers are given specific or role playing greetings and introductions. The group identifies the context of each. Discussion follows. Design a worksheet listing various forms of greetings and a set of contexts. Students will match these as they think appropriate. Discussion follows
3	Verbs – Tenses (Present and Past) Sub topic: continuous, perfect, perfect continuous forms	Student will identify the time factor after seeing a verb form. And will be able to convert the same into past/present.
4	Verbs – Tenses (Future) Sub topic: continuous, perfect, perfect continuous	Student will be able to speak of upcoming events/plans.
5	Provide some basic information about him/herself e.g. family, hobbies, school, future aspirations etc. Sub topic: prepositions, possessive nouns (mine, yours, ours, his, her, their)	In pairs students engage in conversation with peers asking and receiving basic information. Four students adopt the identity of their partner and present him/her to the other members of the group. Making sentences talking about ownership (eg: your car, my house)
6	Obtain basic information from friends and family, adults outside the family circle, persons in authority, work supervisor, a client/customer in a work situation. Question forms- who, when, how, where, why, what (2 hours)	In small groups students will start the conversation with greetings and gather information, interest, preference and affordability etc. of each other. of others. After this the student is supposed to offer suggestions to the

	(1) in a personal context (2) in a work context	other for his future plans. This exercise may help familiarize students with the idea of a personal profile and serve as an ice breaker and create personal bond with a stranger/customer
7	Discuss the meaning and importance of confidentiality (1) in a personal context (2) in a work context	Some preliminary discussion of appropriate and inappropriate questions may be helpful Students form small groups. Short case studies on issues of confidentiality are presented to each group for discussion. Feedback is taken from a spokesperson from each group. General discussion follows
8	Participate in class group discussion and debate	The teacher/trainer proposes a motion. The students brainstorm arguments first for the proposition and then for the opposition. The class is divided into two groups with half the group proposing and the other half opposing the motion.

Unit 2: Communication and Enterprise
Duration: 30 hours

The purpose of this module is to enable students develop and apply good communication skills in the context of enterprise. The focus of this module is communication within the job or industry. It builds on the speaking, listening, reading and writing skills used to interact at ground level in a corporate environment. It aims to develop interpersonal communication and the skills of co- operation. The implementation of this module involves the expansion of language skills in relation to business.

This Module aims:

- To expand the students' language skills in relation to business
- To develop the students' skills of speaking and listening in business environment in a variety of communicative situations related to enterprise
- To familiarise students with the concept of customer care
- To enhance students' interpersonal communication and co-operative skills
- To develop the students' self-confidence, creativity, initiative and personal resourcefulness
- To provide opportunities for students to interact effectively with the local community
- To familiarise students with some of the key terminology associated with the industry
- To provide opportunities for the development of urgent decision making, problem solving, co-operative and leadership skills

S. No.	Topic covered	Activities and outcome
1	Discuss and the importance of good interpersonal skills in the running of an enterprise	Discuss how products and services will be offered for sale and to whom. Draft an explanatory sales script. Role play approaches to selling
2	Explaining features of a person, product, service, or a location. Sub topic – Comparative and Superlative degree of noun. (Eg: good, better, best) (tall, taller, tallest)	Discuss how products and services will be offered for sale and to whom. Draft an explanatory sales script. Role play approaches to selling Describing a story, picture, a short movie or a person
3	Identify an appropriate approach when convincing a customer to buy a product or services in a polite manner. How to handle spontaneous questions and to confidently respond to questions out of their technical knowledge. The college commenced this course in September 2020. The course structure comprises of 60 hours. A total of 5 (five) students were admitted to the course who belonged to the different Indian universities.

The course was divided in a systematic way to allow the beginners to understand the language from its basic structure. The 60 hours of engagement equipped the students with understanding of the language in terms of readings, listening and speaking.

In December 2020, the course was successfully concluded and students received a dual certification from Aryabhata College and Langma School of Languages Pvt. Ltd. The soft copies were mailed to the students and hard copies were made available in the college for students to collect while maintaining the social distance during the lockdown.

Course Feedback

Feedback was taken at different point intervals, during the course and after the completion of the course. All the students recommended it as a MUST-FOR ALL course. Students also recommended that college should continue this course year to year and themselves desired to join advanced levels of the said course.

The college commenced this course in September 2020. The course structure comprises of 108 hours. A total 7 (seven) students were admitted to the course who belonged to the different Indian universities

The course was divided in a systematic way to allow the beginners to understand the language from its basic structure. The 108 hours of engagement equipped the students with understanding of the European language in terms of readings, listening and speaking.

In December 2020, the course was successfully concluded and students received certification from Aryabhata College and an international attestation from AFD. Hard copies of the certificates were dispatched to participants since many had gone to their home towns due to the pandemic situation.

Course Feedback

Feedback was taken at different point intervals, during the course and after the completion of the course. All the students recommended it as a MUST-FOR ALL course. Students also recommended that college should continue this course year to year and themselves desired to join advanced levels of the said course.

The college commenced this course in December 2020. The course structure comprise of 40 hours, bifurcated into various 5 hours sub sections. The college received admission from one student from Aryabhata College [B Com (Prog)].

The classes for the course started in December 2020. The course was bifurcated into various parts, covering all vital issues of corporate sector namely value group discussion, voice effectiveness, soft skills training, guesstimates, case studies personal interview, personality enrichment sessions etc. A strong theoretical and practical approach based on industry's insights and requirements, case discussions, hands-on practice was followed throughout the course. A proper open discussion and feedback mechanism was followed. The course content covered all latest market updates and news followed by real time experience by the students.

In April 2021, the course was successfully concluded and students received certification from Aryabhata College and Gagan Winning Edge Persona Program. Hard copies of certificates were made available in the college office, which can be collected by the students following Covid protocol.

Course Feedback

Feedback was taken at different point intervals, during the course and after the completion of the course. All the students recommended it as a MUST-FOR ALL course. Students also recommended that college should continue this course year to year.

APFM – 2019-20 – Report

REPORT

Add-on course: "Advance Program in Financial Modeling"

(August 2019 – August 2020)

Course Objective

The course aim to acquaint the students with the fundamentals of financial modeling and to understand the complexities involved in the world of finance. It is especially designed with a vision to emphasize adherence to excellence and values in the field of financial markets and to equip students with specialized skills needed to excel in corporate world.

Course Minutiae

Aryabhatta College introduced an Add-on course titled "Advance Skill Program in Financial Modeling" in collaboration with IMS Proschool under the flagship of National Skill Development Corporation (NSDC), a premier Organisation of Ministry of Skill Development and Entrepreneurship, Government of India. The college commenced this course in March 2018. The course structure comprise of 100 hours, including vital areas of management and finance such as Investment Banking, Equity Research, Credit Rating, Project Finance, Mergers & Acquisitions and Financial Analysis amongst others.

The college received over whelming response, resulting in total admission of twenty one (21) students. Students admitted were from Aryabhatta College [BMS, B.A. in Business Economics, B.A. Economics (H.), B. Com. (H), B. Com., B. A. (P.)] and other colleges of University of Delhi namely Mata Sundri College, Shri Aurobindo College, SGND Khalsa College and School of Open Learning (SOL).

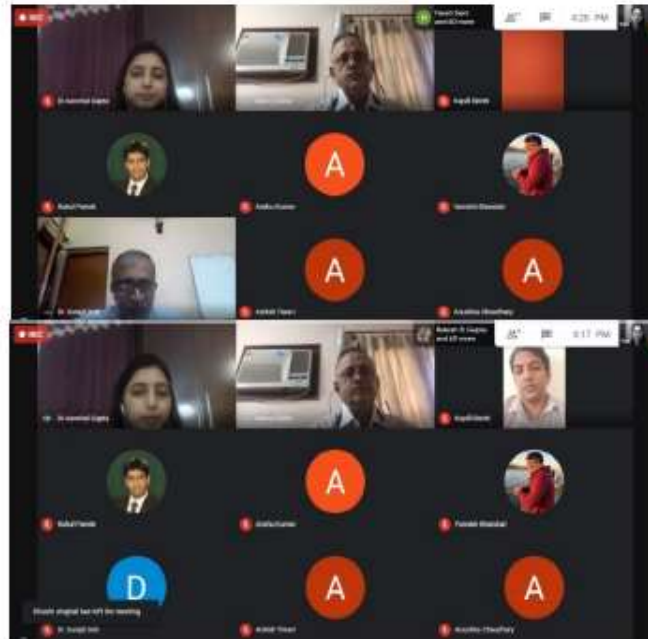

The course commenced with inaugural session held on 28th August, 2019 in the conference hall of the college. The programme commenced with introductory remarks by course coordinator, Dr. Surajit Deb. Dr. Deb introduced the institute (IMS Proschool) and the course, ASFM (Advance Skill Program in Financial Modeling) to the students. Subsequently, Dr. Manoj Sinha, Principal, Aryabhatta College delivered the key note address, emphasizing upon the pertinence & importance of financial analysis in modern era, and advanced analysis in the area of finance. Afterwards, Mr. Rahul Pareek, Regional Head, IMS Proschool, Gurugram, formally announced the course curriculum, teaching pedagogy, classes schedule etc. He answered all the queries put forth by the students and explained the course mandate.

The classes for the course started from 28th August, 2019. The course was bifurcated into different sections, covering all vital areas of management and finance such as Investment Banking, Equity Research, Credit Rating, Project Finance, Mergers & Acquisitions and Financial Analysis amongst others. A strong theoretical and practical approach based on industry's insights and requirements, case discussions, hands-on practice was followed throughout the course. A proper open discussion and feedback mechanism was followed. The course content covered all latest market updates and news followed by real time examples.

On 22nd August 2020, the course was successfully concluded with valedictory session. The session was graced by Dr. Manoj Sinha, Principal, Aryabhata College. Dr. Surajit Deb, Course Coordinator, Dr. Aanchal Gupta, Deputy Course Coordinator, Mr. Mr. Rahul Pareek, Regional Head, IMS Proschool, Gurugram, Ms. Mamta Pareek, Academic Coordinator, IMS Proschool, Gurugram were present. All the dignitaries congratulated students for their great and rewarding journey. Afterwards, Dr. Manoj Sinha, Principal, Aryabhata College distributed e-certificates to all 21 successful students. Students received dual certification; first one from Aryabhata College and IMS Proschool, second one from National Skill Development Corporation (NSDC), Ministry of Skill Development and Entrepreneurship, Government of India. Hard copies of certificates were made available in the college office,

which can be collected by the students following Covid protocol. There was a beam of happiness and achievement on every face.

Course Feedback

Feedback was taken at different point intervals, during the course and after the completion of the course. All the students recommended it as a MUST-FOR ALL course. Students also recommended that college should continue this course year to year and they themselves desired to join advanced courses like R, Business Analytics, Data Analytics etc.

REPORT

Add-on course: "Advance Skill Programme on Financial Markets"

(September 2019 – August 2020)

Course Objective

The course aim to acquaint the students with the fundamentals of financial markets and to understand the complexities involved in the world of finance. It is especially designed with a vision to emphasize adherence to excellence and values in the field of capital markets and to equip students with specialized skills needed to excel in corporate world.

Course Minutiae

Aryabhata College introduced an Add-on course titled "Advance Skill Programme on Financial Markets" in collaboration with Advance Institute of Financial Markets and Research (AIFMR) under the flagship of National Institute of Entrepreneurship & Small Business Development (NIESBUD), Ministry of Skill Development and Entrepreneurship, Government of India. The college commenced this course in October 2019. The course structure comprise of 100 hours, bifurcated into five units of 20 hours each namely equity market, derivatives, technical analysis, currency market and commodity market. The college received over whelming response, resulting in total admission of seventeen (17) students. Students admitted were from Aryabhata College [BMS, B.A. in Business Economics, B.A. Economics (H), B. Com (H), B. Com, B. A. (P.)] and other colleges of University of Delhi namely Satyawati College (Eve.), Moti Lal Nehru College (Eve.) and GGS Indraprastha University.

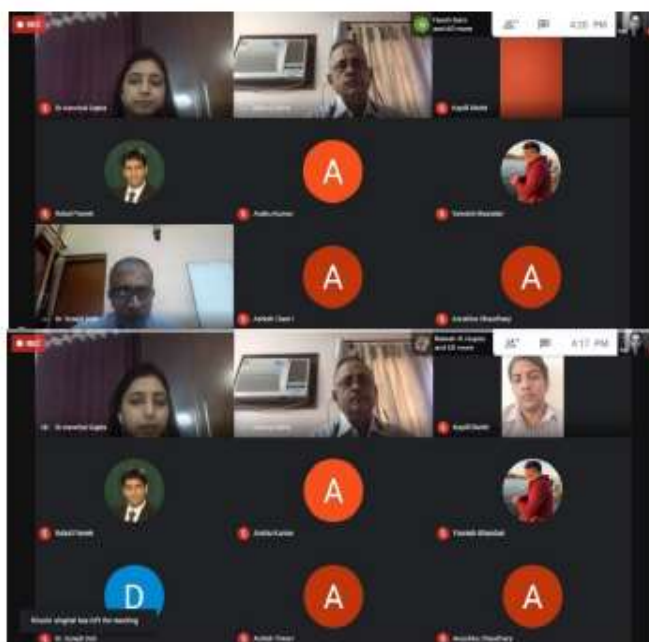

The course commenced with inaugural session held on 23rd October 2019 in the seminar hall of the college. The programme commenced with introductory remarks by course coordinator, Dr. Surajit Deb. Dr. Deb introduced the institute (AIFMR) and the course, ASPFM (Advance Skill Programme on Financial Markets) to the students. Subsequently, Dr. Manoj Sinha, Principal, Aryabhata College delivered the key note address, emphasizing upon the pertinence & importance of financial instruments in digital era, and advanced analysis in the area of finance. Afterwards, Mr. Kapil Bisht, Vice President, AIFMR, formally announced the course curriculum, teaching pedagogy, classes schedule etc. He answered all the queries put forth by the students and explained the course mandate.

The classes for the course started from 23rd October 2019. Total of seventeen students enrolled in this course. The course was bifurcated into five units, covering all vital issues of financial markets namely equity market, derivatives, technical analysis, currency market and commodity market. A strong theoretical and practical approach based on industry's insights and requirements, case discussions, hands-on practice was followed throughout the course. A proper open discussion and feedback mechanism was followed. The course content covered all latest market updates and news followed by real time live market trading by students. A SEBI visit was also organised during the course for the students, to make them aware about the nitty-gritty of financial markets and investor awareness.

On 22nd August 2020, the course was successfully concluded with valedictory session in an online mode. The session was graced by Dr. Manoj Sinha, Principal, Aryabhata College. Dr. Surajit Deb, Course Coordinator, Dr. Aanchal Gupta, Deputy Course Coordinator, Mr. Kapil Bisht, Vice President, AIFMR and Coordinator, AIFMR, Mr. Nikhil Saini, Academic Coordinator, AIFMR were present. All the dignitaries congratulated students for their great and rewarding journey. Afterwards, Dr. Manoj Sinha, Principal, Aryabhata College distributed e-certificates to all successful students. Students received dual certification; first one from Aryabhata College and AIFMR, second one from National Institute of

Entrepreneurship & Small Business Development (NIESBUD), Ministry of Skill Development and Entrepreneurship, Government of India. Hard copies of certificates were made available in the college office, which can be collected by the students following Covid protocol. There was a beam of happiness and achievement on every face.

Course Feedback

Feedback was taken at different point intervals, during the course and after the completion of the course. All the students recommended it as a MUST-FOR ALL course. Students also recommended that college should continue this course year to year and they themselves desired to join advanced courses like Financial Modeling, Business Analytics, Data Analytics etc.

The college commenced this course in February 2020. The course structure comprise of 60 hours, bifurcated into various 10 hours sub sections. The college received over whelming response, resulting in total admission of nineteen (19) students. Students admitted were from Aryabhatta College [BMS, B.A. in Business Economics, B.A. Economics (H), B. Com. (H), B. Com., B. A. (P.)] and other colleges of University of Delhi namely Moti Lal Nehru College (Eve.) and also from NCWEB, DU, DSPSR, IPU.

The course commenced with inaugural session held on 21st February 2020 in the seminar hall of the college. The programme commenced with introductory remarks by course coordinator, Dr. Surajit Deb. Dr. Deb introduced the course to the students. Subsequently, Dr. Manoj Sinha, Principal, Aryabhatta College delivered the key note address, emphasizing upon the pertinence & importance of banking instruments in digital era, and advanced analysis in the area of banking. Afterwards, Mr. Amit Kanchanbaras, formally announced the course curriculum, teaching pedagogy, classes schedule etc. He answered all the queries put forth by the students and explained the course mandate.

The classes for the course started from 21st February 2020. Total of nineteen students enrolled in this course. The course was bifurcated into various parts, covering all vital issues of banking sector namely Retail, Commercial, wholesale, Investment Banking and Mortgage, Market Participants, Asset classes, Derivatives, Client on boarding, etc. A strong theoretical and practical approach based on industry's insights and requirements, case discussions, hands-on practice was followed throughout the course. A proper open discussion and feedback mechanism was followed. The course content covered all latest market updates and news followed by real time experience by the students.

On 22nd August 2020, the course was successfully concluded with valedictory session in an online mode. The session was graced by Dr. Manoj Sinha, Principal, Aryabhata College. Dr. Surajit Deb, Course Coordinator, Dr. Aanchal Gupta, Deputy Course Coordinator, Mr. Amit Kanchanbaras, Course Faculty were present. All the dignitaries congratulated students for their great and rewarding journey. Afterwards, Dr. Manoj Sinha, Principal, Aryabhata College distributed e-certificates to all successful students. Hard copies of certificates were made available in the college office, which can be collected by the students following Covid protocol. There was a beam of happiness and achievement on every face.

Course Feedback

Feedback was taken at different point intervals, during the course and after the completion of the course. All the students recommended it as a MUST-FOR ALL course. Students also recommended that college should continue this course year to year and they themselves desired to join advanced courses like Financial Modeling, Business Analytics, Data Analytics etc.

Website : www.langmainternational.com

The college commenced this course on 20th February 2020. The course structure comprises of 80 hours and level N5. A total of 9 (nine) students were admitted to the course who belonged to the different Indian universities

The course was divided in a systematic way to allow the beginners to understand the Asian language from its basic structure. The 80 hours of engagement equipped the students with understanding of the language in terms of readings, listening and speaking. The students were

introduced to the symbols and different scripts of the language and were made to learn the language with maximum practice sessions.

On 30th April 2020, the course was successfully concluded and students received dual certification from Aryabhata College and Langma School of Languages Pvt. Ltd. Due to the pandemic and unprecedented national lockdown, the course continued in the online mode from 22nd March 2020. The students received e-certificates and an online valedictory event was organised on 22nd August 2020. Along with the students, the following members graced the valedictory session by their encouraging presence:

1. Prof Manoj Sinha (Principal)
2. Dr Surajit Deb (Coordinator, Add-On Courses)
3. Dr Madhulika Nirmal (Deputy Coordinator, Add-On Courses)
4. Dr Aanchal Gupta (Deputy Coordinator, Add-On Courses)
5. Ms Persy Jain (Coordinator, Langma School of Languages Pvt Ltd.)
6. Ms Priyanka (Course faculty at Langma School of Languages Pvt Ltd.)

Course Feedback

Feedback was taken at different point intervals, during the course and after the completion of the course. All the students recommended it as a MUST-FOR ALL course. Students also recommended that college should continue this course year to year and themselves desired to join advanced levels of the said course.

- 2) Applied Examples for VLOOKUP
- 3) HLOOKUP Explained
- 4) HLOOKUP in Action
- 5) Looking For a Near Match in a Lookup
- 6) Checking For Missing Data in a Lookup
- 7) Extending the Size of a Lookup Table
- 8) Nested LOOKUPS in Excel

Excel Data Function

- 1) The MATCH Function Explained
 - 2) The INDEX Function Syntax
 - 3) How to Stop Nonexistent Row or Column Lookups in INDEX
- The CHOOSE Lookup Function

Business Analysis with Scenario Manager

- Setting up a Scenario and Entering Values
- Display the Scenario Values
- Editing the Values of A Scenario
- 4) Deleting a Scenario
- Merge Scenarios from Different Sheets
- Getting a Summary of All Scenarios

Business Analysis with Goal Seek

- 1) What Is Goal Seek
- 2) Display the Goal Seek Values
- 3) Applying Goal Seek To Get The Result

Validation and Sheet Protection

Date Validation
List Validation
Setting Custom error message and input message in validation
Sheet Protection
Protecting sheet keeping some area unprotected Hiding
Formula's in Excel

Business Analysis with Pivot Table in Excel

What is a Pivot Table?
Steps to Create a Pivot Table in Excel
Rearranging Fields in a Pivot Table
Changing the Math of the Data
Summary
Number Format Control of the Summary Area
Creating a Second (Or More) Pivot Table On the Same Data
Moving a Pivot Table
Removing a Pivot Table
Making Use of the Report Filter Option
Sorting a Pivot Tables Column
Displaying Values as a Percentage 12)
Refreshing a Pivot Table Manually or Semi-Automatically
Drilling Down Behind the Pivot Table Summaries
Applying Pivot Table Styles
Creating Your Own Custom Pivot Table Style
Copying a Pivot Table Style between Workbooks
Using More Than One Field in Row and Column
Headings
Disabling and Enabling Grand and Sub Totals
Filtering Columns and Rows within a Pivot Table

Using Charts for business analysis case scenarios

1)Intro To Chart
2)Creating Chart based on Data Series
3) Applying Styles to Chart
4)Analyzing Data Through Chart

Business Analysis Data Table In Excel

1)What is Data Table
2)One Variable Data Table
3)Two Variable Data Table
4)Applying PMT in Data Table

Formatting In Excel

1)Applying simple Formatting
2)Applying Complex Formatting
3)Applying formatting With Manage Rules to Sensitize Data

Using "R" For business Analysis

Downloading and Installing R in your machine
Getting familiar with R environment
Loading important packages in R
Start writing your first code in R Import Data in R and perform exploration and transformation activities
Do plots in R to understand data distribution
Write your own macro functions Run correlation and regression in R and analysis model results.

MOS – 2019-20 – Report

Report

Add On Course: Microsoft MOS Certification (Microsoft Office specialist and Training Schedule)

MAY 2019- DECEMBER 2019

OBJECTIVE

The course aims to familiarise students with the principles of Business Analytics, which will assist them in enhancing their IT abilities beyond the curriculum. This will also increase the value of the UG degree and help them stand out in a competitive employment market.

COURSE MINUTIAE

In partnership with ATS Pvt Ltd, Aryabhata College introduced an Add-on course titled "Microsoft MOS Certification Course (Microsoft Office Speciality)." A Microsoft Authorized Education Partner (AEP). This course training classes began in May 2019 at the college. The course was completed in six months and consisted of thirty hours divided into thirteen units: Basics of Excel, Understanding If Function, Performing Lookup in Excel, Excel Data Function, Scenario Manager, Analysis with Goal Seek, Validation and Sheet Protection, Analysis with Pivot Table, Charts, Data Table, Formatting in Excel, Using "R" for Business Analysis and Dashboard. Students admitted were from various courses (B.A. (H.) Business Economics, B.A. (H.) Economics, B.Com. (H.), B.Com., B.A. Prog) of Aryabhata College. Out of 58 students, 30 Students appeared in Exam & 19 students successfully completed the course and were provided with certificate.

The course began with an inaugural session on May 26th, 2019 in the college's Multipurpose Room. Mr Perveen Badoni, the course coordinator, began the programme by introducing the institute (ATS Pvt Ltd.) and the course, Microsoft MOS Certification (Microsoft Office specialist and training schedule) to the students. Following that, Dr. Manoj Sinha, Principal of Aryabhata College, delivered the keynote presentation, emphasising the relevance and necessity of Business Analysis in today's cooperative sector. Mr Perveen Badoni, course coordinator and Mr. Azim, the resource person (ATS Pvt Ltd), then formally revealed the course curriculum, teaching pedagogy, class timetable, and so on. He answered all the queries put forth by the students and explained the course requirements.

Dr. Surajit Deb, Dr. Priti Jagwani, and Ms. Neha Kumari, congratulated the youngsters on their wonderful and fruitful journey. Following that, Dr. Manoj Sinha, Principal of Aryabhata College, presented certificates to all the nineteen (19) successful students. The students completed the course with flying colours, making it a success.

COURSE FEEDBACK

Feedback was taken at different point intervals, during the course and after the completion of the course. All the students were satisfied with the training process. Students were assertive to attend more such courses in the future.

12. Personality Development (PD) – 2019-20

PD – 2019-20 – Notice

PD – 2019-20 – Report

REPORT

Add-on course: Personality Development

(February 2020– August 2020)

Course Objective

The course aim to acquaint the students with specialized skills needed to work with the ever increasing challenges of corporate world. It is especially designed with a vision to emphasize value proposition, grooming sessions, group discussion, voice effectiveness, soft skills training, personal interview, personality enrichment sessions etc.

Course Minutiae

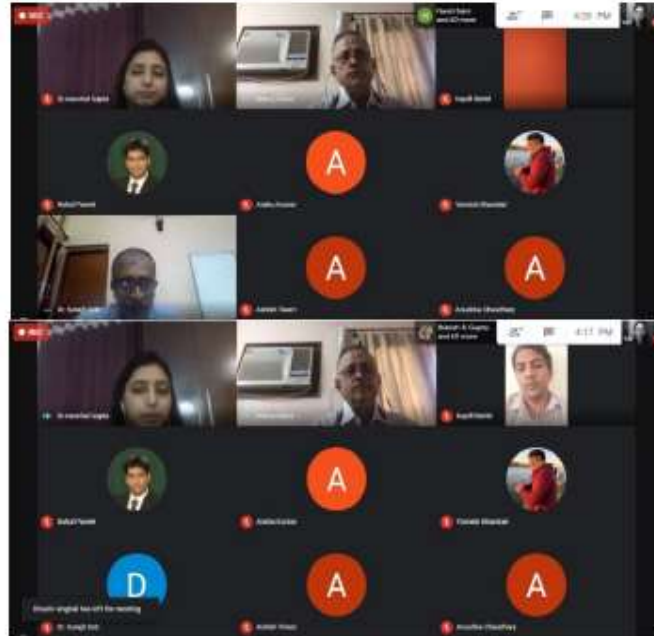

Aryabhatta College introduced an Add-on course titled "Personality Development" in collaboration with Gagan Winning Edge Persona Program. The college commenced this course in October 2019. The course structure comprise of 40 hours, bifurcated into various 5 hours sub sections. The college received admission of eleven (11) students. Students admitted were from Aryabhatta College [BMS, B.A. in Business Economics, B.A. Economics (H.), B. Com. (H), B. Com., B. A. (P.), B. Sc. Mathematics Hons].

The course commenced with inaugural session held on 14th October 2019 in the Conference room of the college. The programme commenced with introductory remarks by course coordinator, Dr. Surajit Deb. Dr. Deb introduced the course to the students. Subsequently, Dr. Manoj Sinha, Principal, Aryabhatta College delivered the key note address, emphasizing upon the pertinence & importance of soft skills in present era and impact on corporate world. Afterwards, Mr. Gagandeep Singh, formally announced the course curriculum, teaching pedagogy, classes schedule etc. He answered all the queries put forth by the students and explained the course mandate.

The classes for the course started from 14th October 2019. The course was bifurcated into various parts, covering all vital issues of banking sector namely value proposition, grooming sessions, group discussion, voice effectiveness, soft skills training, personal interview, personality enrichment sessions etc. A strong theoretical and practical approach based on industry's insights and requirements, case discussions, hands-on practice was followed throughout the course. A proper open discussion and feedback mechanism was followed. The course content covered all latest market updates and news followed by real time experience by the students.

On 22nd August 2020, the course was successfully concluded with valedictory session in an online mode. The session was graced by Dr. Manoj Sinha, Principal, Aryabhata College. Dr. Surajit Deb, Course Coordinator, Dr. Aanchal Gupta, Deputy Course Coordinator, Mr. Gagandeep Singh, Course Faculty were present. All the dignitaries congratulated students for their great and rewarding journey. Afterwards, Dr. Manoj Sinha, Principal, Aryabhata College distributed e-certificates to all successful students. Hard copies of certificates were made available in the college office, which can be collected by the students following Covid protocol. There was a beam of happiness and achievement on every face.

Course Feedback

Feedback was taken at different point intervals, during the course and after the completion of the course. All the students recommended it as a MUST-FOR ALL course. Students also recommended that college should continue this course year to year and they themselves desired to join advanced courses like Financial Modeling, Business Analytics, Data Analytics etc.

13. Advance Program in Financial Modeling (APFM) – 2018-19

APFM – 2019-20 – Notice

Aryabhatta College

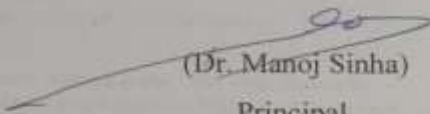

UNIVERSITY OF DELHI

Date : 20.02.2018

APFM – 2019-20 – Report

REPORT

Add-on course: "Advance Program in Financial Modeling"

(March 2018 – Jan 2019)

Course Objective

The course aim to acquaint the students with the fundamentals of financial modeling and to understand the complexities involved in the world of finance. It is especially designed with a vision to emphasize adherence to excellence and values in the field of financial markets and to equip students with specialized skills needed to excel in corporate world.

Course Minutiae

Aryabhatta College introduced an Add-on course titled "Advance Skill Program in Financial Modeling" in collaboration with IMS Proschool under the flagship of National Skill Development Corporation (NSDC), a premier Organisation of Ministry of Skill Development and Entrepreneurship, Government of India. The college commenced this course in March 2018. The course structure comprise of 100 hours, including vital areas of management and finance such as Investment Banking, Equity Research, Credit Rating, Project Finance, Mergers & Acquisitions and Financial Analysis amongst others.

The college received over whelming response, resulting in total admission of forty seven (47) students. Students admitted were from Aryabhatta College [BMS, B.A. in Business Economics, B.A. Economics (H.), B. Com. (H), B. Com., B. A. (P.)] and other colleges of University of Delhi namely Ram Lal Anand College, Shaheed Bhagat Singh College, Keshav Mahavidyalaya plus other renowned universities such as Delhi Technical University and Guru Gobind Singh Indraprastha University.

The course commenced with inaugural session held on 23rd March, 2018 in the seminar hall of the college. The programme commenced with introductory remarks by course coordinator, Dr. Surajit Deb. Dr. Deb introduced the institute (IMS Proschool) and the course, ASFM (Advance Skill Program in Financial Modeling) to the students. Subsequently, Dr. Manoj Sinha, Principal, Aryabhatta College delivered the key note address, emphasizing upon the pertinence & importance of financial analysis in modern era, and advanced analysis in the area of finance. Afterwards, Mr. Rahul Pareek, Regional Head, IMS Proschool, Gurugram, formally announced the course curriculum, teaching pedagogy, classes schedule etc. He answered all the queries put forth by the students and explained the course mandate.

The classes for the course started from 23rd March 2018. The course was bifurcated into different sections, covering all vital areas of management and finance such as Investment Banking, Equity Research, Credit Rating, Project Finance, Mergers & Acquisitions and Financial Analysis amongst others. A strong theoretical and practical approach based on industry's insights and requirements, case discussions, hands-on practice was followed throughout the course. A proper open discussion and feedback mechanism was followed. The course content covered all latest market updates and news followed by real time examples.

On 29th January 2019, the course was successfully concluded with valedictory session. The session was graced by Dr. Manoj Sinha, Principal, Aryabhatta College. Dr. Surajit Deb, Course Coordinator, Dr. Aanchal Gupta, Deputy Course Coordinator, Mr. Mr. Rahul Pareek, Regional Head, IMS Proschool, Gurugram, Ms. Mamta Pareek, Academic Coordinator, IMS Proschool, Gurugram were present. All the dignitaries congratulated students for their great and rewarding journey. Afterwards, Dr. Manoj Sinha, Principal, Aryabhatta College distributed certificates to all 45 successful students. Students received dual certification; first

one from Aryabhata College and IMS Proschool, second one from National Skill Development Corporation (NSDC), Ministry of Skill Development and Entrepreneurship, Government of India. There was a beam of happiness and achievement on every face.

Course Feedback

Feedback was taken at different point intervals, during the course and after the completion of the course. All the students recommended it as a MUST-FOR ALL course. Students also recommended that college should continue this course year to year and they themselves desired to join other courses like Data Analytics, R, and Python etc.

Advance Skill Programme on Financial Markets (ASPFM)

Aryabhatta College in collaboration with Advance Institute of Financial Markets & Research (AIFMR) is offering an Add-on course titled "Advance Skill Programme on Financial Markets" (ASPFM), certified by National Institute for Entrepreneurship and Small Business Development (NIESBUD), a premier Organisation of Ministry of Skill Development and Entrepreneurship, Government of India.

The course has been especially designed to equip students with specialized skills needed to work with the ever increasing challenges of the financial markets.

The details regarding admission are as follows:

Eligibility and Course Fee:

Pursuing Graduation with at least 60% marks (last examination passed) or Class 12 (at least 70% marks)*.

The course is open to all the students of Aryabhatta College and other colleges of University of Delhi**.

The course fee per student is Rs. 16,500 payable through Demand Draft in favour "PRINCIPAL, ARYABHATTA COLLEGE" payable at Delhi.

Duration of the Course:

The total duration of the course is 100 hours (around 4-5 months). Classes would be held in the college premises, three days a week, starting from 17th September, 2018. Classes will be suspended during Delhi University Examinations.

Course structure:

Study material and the faculty would be provided by AIFMR.

A student would become eligible to receive the certificate on completion of the following: (a) by scoring at least 60% marks in each of the two examinations; Mid-term examination and End-term examination, and (b) maintaining at least 70% attendance. All these examinations would be held in the Aryabhatta college premises.

The certificate will be issued jointly by Aryabhatta College & AIFMR and NIESBUD on successful completion of the course.

Interested Students should submit the duly filled Registration Form along with Demand Draft of Rs. 16,500 in favour "PRINCIPAL, ARYABHATTA COLLEGE" on or before 28th August, 2018. Course fee is non-refundable and non-transferable under any circumstances. Students should contact Dr. Surajit Deb (Mob.: 9811256265) or Dr. Aanchal Gupta (Mob.: 9999024255).

REPORT

Add-on course: "Advance Skill Programme on Financial Markets"

(September 2018 – April 2019)

Course Objective

The course aim to acquaint the students with the fundamentals of financial markets and to understand the complexities involved in the world of finance. It is especially designed with a vision to emphasize adherence to excellence and values in the field of capital markets and to equip students with specialized skills needed to excel in corporate world.

Course Minutiae

Aryabhatta College introduced an Add-on course titled "Advance Skill Programme on Financial Markets" in collaboration with Advance Institute of Financial Markets and Research (AIFMR) under the flagship of National Institute of Entrepreneurship & Small Business Development (NIESBUD), Ministry of Skill Development and Entrepreneurship, Government of India. The college commenced this course in October 2018. The course structure comprise of 100 hours, bifurcated into five units of 20 hours each namely equity market, derivatives, technical analysis, currency market and commodity market. The college received over whelming response, resulting in total admission of sixty two (62) students. Students admitted were from Aryabhatta College [BMS, B.A. in Business Economics, B.A. Economics (H.), B. Com. (H), B. Com., B. A. (P.)] and other colleges of University of Delhi namely SGTB Khalsa College, Maitreyi College, Hansraj College, Gargi College and School of open learning (SOL).

The course commenced with inaugural session held on 20th September 2018 in the seminar hall of the college. The programme commenced with introductory remarks by course coordinator, Dr. Surajit Deb. Dr. Deb introduced the institute (AIFMR) and the course, ASPFM (Advance Skill Programme on Financial Markets) to the students. Subsequently, Dr. Manoj Sinha, Principal, Aryabhatta College delivered the key note address, emphasizing upon the pertinence & importance of financial instruments in digital era, and advanced analysis in the area of finance. Afterwards, Mr. Kapil Bisht, Vice President, AIFMR, formally announced the course curriculum, teaching pedagogy, classes schedule etc. He answered all the queries put forth by the students and explained the course mandate.

The classes for the course started from 20th September 2018. Total of sixty two students enrolled in this course. The course was bifurcated into five units, covering all vital issues of financial markets namely equity market, derivatives, technical analysis, currency market and commodity market. A strong theoretical and practical approach based on industry's insights and requirements, case discussions, hands-on practice was followed throughout the course. A proper open discussion and feedback mechanism was followed. The course content covered all latest market updates and news followed by real time live market trading by students. A SEBI visit was also organised during the course for the students, to make them aware about the nitty-gritty of financial markets and investor awareness.

On 12th April 2019, the course was successfully concluded with valedictory session. The session was graced by Dr. Manoj Sinha, Principal, Aryabhatta College. Dr. Surajit Deb, Course Coordinator, Dr. Aanchal Gupta, Deputy Course Coordinator, Mr. R K Arora, Course Faculty and Coordinator, AIFMR, Mr. Nikhil Saini, Academic Coordinator, AIFMR were present. All the dignitaries congratulated students for their great and rewarding journey. Afterwards, Dr. Manoj Sinha, Principal, Aryabhatta College distributed certificates to all 58

successful students. Students received dual certification; first one from Aryabhata College and AIFMR, second one from National Institute of Entrepreneurship & Small Business Development (NIESBUD), Ministry of Skill Development and Entrepreneurship, Government of India. There was a beam of happiness and achievement on every face.

Course Feedback

Feedback was taken at different point intervals, during the course and after the completion of the course. All the students recommended it as a MUST-FOR ALL course. Students also recommended that college should continue this course year to year and they themselves desired to join advanced courses like Financial Modeling, Data Analytics etc.

Enclosure: Feedback forms (Aryabhata College and AIFMR)

NOTICE

Beginners Course in French Language

Aryabhatta College in collaboration with Alliance Française Delhi (AFD) affiliated to French Embassy in India is offering a Beginners Course in French Language, starting from 21st January, 2019. A Certificate will be issued by the college duly attested by Alliance Française Delhi (AFD) to all the successful candidates.

Interested students are required to contact the Course Coordinator, Dr. Surajit Deb (Department of Economics, Mob. No.: 9811256265).

(Dr. Manoj Sinha)
Principal

Benito Juarez Road, Anand Niketan, New Delhi-110021 Ph. : 011-24110490 Teletax : 011-24117284
E-mail : admin@aryabhattachcollege.ac.in | Website : www.aryabhattachcollege.ac.in

Curriculum

AFD's curriculum is in line with the Common European Framework of Reference for Languages (CEFR) which is applied to all the languages in Europe.

We offer French Language classes for all the levels, from Complete Beginners to Superior. In order to reach the next level, an internal exam needs to be passed - in addition to periodic class performance assessment. An attestation will be issued on request on the basis of attendance and performance after each term.

Tailor made courses

KIDS' CLASSES

Summer Term : 9 - 11 years old
Frequency: 4 times a week

TEENS' CLASSES

Summer Term : 12 - 16 years old
Frequency: 4 times a week

THEMATIC COURSES

- French for tourism, hotel, industries and catering business (A1)
- Translation (B2)
- Conversation (B1, B2)
- Business French
- Culture and Civilisation

CORPORATE CLASSES

We provide customized courses and specific need based linguistic and cultural modules to corporate companies looking to develop French speaking resources for long term project or with the purpose of providing professional training to the employees.

Diplomas / Tests

Students may take DELF (Diplôme d'études en langue française - for beginners to advanced levels) and DALF (Diplôme approfondi de langue française - for superior levels) examinations to validate their level of competency.

These diplomas are recognised globally.

- DELF/DALF sessions are organised 4 times a year.
- Students may choose to register for any exam according to their level.

** AFD is the only official centre for conducting TCF Tests. We conduct TCF tests several times a year. Please check the updates on our website for the dates.

ARYABHATTA COLLEGE
(University Of Delhi)
In collaboration with
ALLIANCE FRANÇAISE DELHI
(Affiliated to French Embassy in India)

French Language Course

Aryabhatta College in collaboration with Alliance Française Delhi (AFD) is offering a Beginners Course in French Language. Alliance Française Delhi is affiliated to French Embassy in India and will be providing an Attestation and a Certificate will be issued by the college to all the successful candidates.

The course has been especially designed to introduce students to the French Language and equip them with phrases and everyday language at a Beginner's Level. The education team comprises qualified teachers who specialize in teaching French as a foreign language. The course is designed with special focus on communication skills, written as well as oral.

The details regarding admission are as follows:

Eligibility and Course Fee :#

Any student pursuing Graduation with at least 60% marks (last examination passed) and at least 80% marks in English in Class 12.*

The course is open to all the students of Aryabhatta College and other colleges of University of Delhi.** The students are requested to collect the Registration form (Rs.100/-) from Aryabhatta College Accounts section (Students dealing counter) between 10am to 2pm. The last date of submission is 11th January 2019.

The course fee per student is **Rs. 24,000/-** (Twenty Four Thousand only) payable only after the selection in the course.

Selection Process:

The Registered candidates will appear for an Interview (in the Aryabhatta college premises) on 15th January 2019 for the final selection.

Duration of the Course:

The total duration of the course is 108 hours (January-April). Classes will be held in the college premises, four days a week (Monday, Tuesday, Thursday and Friday) from 3:30 p.m. to 5:30 p.m. starting from 21st January, 2019. Classes will be suspended during Delhi University Examinations.

Course structure:

Study material and the faculty will be provided by AFD.

A student would become eligible to receive the Certificate and Attestation on completion of the following: (a) by scoring at least 70% marks in the End-term examination, and (b) maintaining at least 75% attendance during the course.

The examination will be held in the Aryabhatta college premises only.

Please contact Dr. Surajit Deb (Mob.: 9811256265) or Dr. Aanchal Gupta (Mob.: 9999024255), Or Mrs. Madhulika Nirmal (Mob.: 9550287872) for any query.

REPORT

Add-on course: "French Language Course"

(February 2019 – April 2019)

Course Objective:

The course was especially designed to introduce students to the French Language and equip them with phrases and everyday language at a Beginner's Level. The education team comprised qualified teachers who specialized in teaching French as a foreign language. The course was designed with special focus on communication skills, written as well as oral.

Course Minutes:

Aryabhata College in collaboration with Alliance Française Delhi (AFD) commenced a Beginners Course in French Language on 1st February, 2019. Alliance Française Delhi is affiliated to the French Embassy in India. The course structure comprise of 108 hours operating on four days (Mon, Tue, Thurs and Friday) per week schedule. A total of eight students were admitted to the course, two of which were from Bharti College and Sri Aurobindo College respectively. The course commenced with inaugural session held on 1st February, 2019 in the Psychology Lab of the college. The programme commenced with introductory remarks by course coordinator, Dr. Surajit Deb. Dr. Deb introduced the institute (AFD) and the course to the students. Subsequently, Dr. Pamela Anwer, Acting Principal, Aryabhata College delivered the key note address, emphasizing upon the need & importance of the knowledge of French language in today's world and its global benefits. Afterwards, Mr. Guillaume Grangeon, Academic Director (AFD) and Mr. Shiv Sahoo, Academic Coordinator (AFD) formally announced the course curriculum, teaching pedagogy, classes schedule etc. They answered all the queries put forth by the students and explained the course mandate. The students were also introduced to their highly qualified language teacher, Ms. Gunjan Gupta.

On 29th April 2019, the course was successfully concluded and on 22nd May 2019 valedictory session was organised. The session was graced by Dr. Manoj Sinha, Principal, Aryabhata College. Dr. Surajit Deb, Course Coordinator, Dr. Madhulika Nirmal, Deputy Course Coordinator, Dr. Aanchal Gupta, Deputy Course Coordinator, Mr. Shiv Sahoo, Academic Coordinato (AFD) and Ms. Gunjan Gupta, the French teacher, were present. All the dignitaries congratulated students for their great and rewarding journey. Afterwards, Dr. Manoj Sinha, Principal, Aryabhata College distributed attestations and certificates to all successful students. Students received dual certification: first, a collaborated certificate from Aryabhata College and AFD and second, an international attestation from Alliance Française Delhi. There was a beam of happiness and achievement on every face.

Course Feedback

Feedback was taken at different point intervals, during the course and after the completion of the course. All the students recommended it as a MUST-FOR ALL course. Students also recommended that college should continue this course year to year and they themselves desire to continue pursuing other levels of proficiency.

Enclosure: Feedback forms

REPORT

Add-on course: "Advance Skill Programme on Financial Markets"

(September 2017 – March 2018)

Course Objective

The course aim to acquaint the students with the fundamentals of financial markets and to understand the complexities involved in the world of finance. It is especially designed with a vision to emphasize adherence to excellence and values in the field of capital markets and to equip students with specialized skills needed to excel in corporate world.

Course Minutiae

Aryabhatta College introduced an Add-on course titled "Advance Skill Programme on Financial Markets" in collaboration with Advance Institute of Financial Markets and Research (AIFMR) under the flagship of National Institute of Entrepreneurship & Small Business Development (NIESBUD), Ministry of Skill Development and Entrepreneurship, Government of India. The college commenced this course in September 2017. The course structure comprise of 100 hours, bifurcated into five units of 20 hours each namely equity market, derivatives, technical analysis, currency market and commodity market. The college received over whelming response, resulting in total admission of seventy four (74) students. Students admitted were from Aryabhatta College [BMS, B.A. in Business Economics, B.A. Economics (H.), B. Com. (H), B. Com., B. A. (P.)] and other colleges of University of Delhi namely SGTB Khalsa College, Janki Devi Memorial College.

The course commenced with inaugural session held on 29th September 2017 in the seminar hall of the college. The programme commenced with introductory remarks by course coordinator, Dr. Surajit Deb. Dr. Deb introduced the institute (AIFMR) and the course, ASPFM (Advance Skill Programme on Financial Markets) to the students. Subsequently, Dr. Manoj Sinha, Principal, Aryabhatta College delivered the key note address, emphasizing upon the pertinence & importance of financial instruments in digital era, and advanced analysis in the area of finance. Afterwards, Mr. Kapil Bisht, Vice President, AIFMR, formally announced the course curriculum, teaching pedagogy, classes schedule etc. He answered all the queries put forth by the students and explained the course mandate.

The classes for the course started from 1st October 2017. Total of seventy four students were divided into two sections. The course was bifurcated into five units, covering all vital issues of financial markets namely equity market, derivatives, technical analysis, currency market and commodity market. A strong theoretical and practical approach based on industry's insights and requirements, case discussions, hands-on practice was followed throughout the course. A proper open discussion and feedback mechanism was followed. The course content covered all latest market updates and news followed by real time live market trading by students. A SEBI visit was also organised on 20th and 21st February 2018 for the students, to make them aware about the nitty-gritty of financial markets and investor awareness.

On 16th March 2018, the course was successfully concluded with valedictory session. The session was graced by Dr. Manoj Sinha, Principal, Aryabhata College. Dr. Surajit Deb, Course Coordinator, Dr. Aanchal Gupta, Deputy Course Coordinator, Mr. Kapil Bisht, Vice President, AIFMR, Mr. Nikhil Saini, Academic Coordinator, AIFMR were present. All the dignitaries congratulated students for their great and rewarding journey. Afterwards, Dr. Manoj Sinha, Principal, Aryabhata College distributed certificates to all 70 successful students. Students received dual certification; first one from Aryabhata College and AIFMR, second one from National Institute of Entrepreneurship & Small Business Development

(NIESBUD), Ministry of Skill Development and Entrepreneurship, Government of India. There was a beam of happiness and achievement on every face.

Course Feedback

Feedback was taken at different point intervals, during the course and after the completion of the course. All the students recommended it as a MUST-FOR ALL course. Students also recommended that college should continue this course year to year and they themselves desired to join advanced courses like Financial Modeling, Data Analytics etc.

Enclosure: Feedback forms (Aryabhatta College and AIFMR)

17. Integrated Course on Financial Markets (ICFM) – 2016-17

ICFM – 2016-17 – Notice

Aryabhatta College

UNIVERSITY OF DELHI

Dr. Manoj Sinha
Principal

ARYABHATTA COLLEGE (UNIVERSITY OF DELHI) In Collaboration with BSE Institute Limited

Integrated Course on Financial Markets (ICFM)

Aryabhatta College in collaboration with BSE, offers a BSE certified short duration unique offering called "Integrated Course on Financial Markets".

The details regarding admission are as follows:

Eligibility:

Class 12 with at least 75% marks*

Course Fees:

The course is open to all the students who are admitted to Aryabhatta College. The fees per student is Rs. 20,000 payable through Demand Draft in favour of "ARYABHATTA COLLEGE" payable at Delhi.

Duration of the Course:

The duration for the course is 100 hours (around 3 months). Classes would be held in the college premises in the afternoon, from 3:00 p.m. onwards, four days a week, starting from 19th October, 2016.

Course structure:

Study material and the faculty would be provided by the Bombay Stock Exchange Institute Limited.

A student would become eligible to receive the certificate on completion of the following: (a) by scoring at least 50% marks in each of the three examinations; Mid-term examination, Mid-term project and End-term examination, and (b) maintaining at least 67% attendance. All these examinations would be held in the Aryabhatta college premises.

The certificate will be issued jointly by Aryabhatta College and BSE on the successful conclusion of the program.

The interested students can download the Registration Form from the college website and submit the same duly filled along with Demand Draft of Rs. 20,000, **on or before 19th October, 2016**. The students should contact Dr. Surajit Deb (Mob.: 9811256265) or Dr. Aanchal Gupta (Mob. : 9999024255).

REPORT

Add-on course: "Integrated Course on Financial Markets"

(October 2016 – April 2017)

Course Objective

The course aims to acquaint students with the fundamentals of financial markets, currency market, commodity and derivative market. It is especially designed with a vision to emphasize adherence to excellence and values in the field of capital markets and to equip students with specialized skills needed to excel in corporate world.

Course Minutiae

Aryabhatta College introduced an Add-on course titled "Integrated Course on Financial Markets" in collaboration with Bombay Stock Exchange Institute Limited (BIL). The college commenced this course in October 2016. The course structure comprise of 100 hours, bifurcated into six units namely equity market, derivatives, technical analysis, currency market, foreign exchange market and commodity market. The college received over whelming response, resulting in total admission of thirty four (34) students. Students admitted were from various courses (B.A. (H.) Business Economics, B.A. (H.) Economics, B. Com. (H.), B. Com., B.A. Prog) of Aryabhatta college.

The course commenced with inaugural session held on 19th October 2016 in the seminar hall of the college. The programme commenced with introductory remarks by course coordinator, Dr. Surajit Deb. Dr. Deb introduced the institute (BSE Institute Ltd.) and the course, ICFM (Integrated Course on Financial Markets) to the students. Subsequently, Dr. Manoj Sinha, Principal, Aryabhatta College delivered the key note address, emphasizing upon the pertinence & importance of capital markets in modern era, and advanced analysis in the area of finance. Afterwards, Mr. Pulock Bhattacharji, Vice President, BIL, formally announced the course curriculum, teaching pedagogy, classes schedule etc. He answered all the queries put forth by the students and explained the course requirements.

The course was bifurcated into six units, covering all vital issues of financial markets namely equity market, derivatives, technical analysis, currency market, foreign exchange market and commodity market. A strong theoretical and practical approach based on industry's insights and requirements, case discussions, hands-on practice was followed throughout the course. A proper open discussion and feedback mechanism was followed. The course content covered all latest market updates and news followed by real time live market trading by students. An interactive session was also organised on 'Future of Commodity Markets in India' on 6 February 2017. Mr. Sanjay Gakhar, Vice President, Multi Commodity Exchange of India Ltd. was speaker for the day. He discussed various aspects relating to hedging, speculation and commodity derivatives in India.

On 21st April 2017, the course was successfully concluded with valedictory session. The session was graced by Dr. Manoj Sinha, Principal, Aryabhata College. Dr. Surajit Deb, Course Coordinator, Dr. Aanchal Gupta, Deputy Course Coordinator, Mr. Pulock Bhattacharji, Vice President, BIL, Ms. Kamalpreet, Academic Coordinator, BIL were present. All the dignitaries congratulated students for their great and rewarding journey.

Afterwards, Dr. Manoj Sinha, Principal, Aryabhata College distributed certificates to all 34 successful students. There was a beam of happiness and achievement on every face.

Course Feedback

Feedback was taken at different point intervals, during the course and after the completion of the course. All the students recommended it as a MUST-FOR ALL course. Students also recommended that college should continue this course year to year.

Enclosure: Feedback forms
