A REPORT on OPEN BOOK EXAMINATION

ARYABHATTA COLLEGE

(2020-2021)

In view of Covid-19 pandemic, the Open Book Examinations (OBE) were conducted in the year 2020-2021 according to the University of Delhi guidelines. The OBE was held in the months of August 2020, September 2020, December 2020, March-April 2021 & May-June 2021. As per the University directive, a Nodal Officer for OBE was also appointed who acted as the contact point between College/Students and the University for redressal of exam related grievances. (The list of Nodal Officer(s) is annexed below).

A separate tab with timely exam updates, relevant information and helpline number was provided on the College website for the benefit of students taking OBE. In view of the increased volume of student calls on certain days, the College had also constituted a special committee for OBE with helpline numbers as well as allotted Invigilation Duties to teachers in order to better facilitate and ease the process for the students by way of guiding students and resolving their queries at the earliest and which proved to be very effective in dealing with OBE queries.

The College had a dedicated email address (obe@aryabhattachcollege.ac.in) where students could send their answer scripts in case they failed to upload the same on the University portal. The Nodal Officer was also assigned the task of coordinating with the University for OBE evaluation by the College faculty members which was also done in the online mode. The OBE team in coordination with the Central Evaluation Committee (CEC) at the University level ensured timely completion of paper evaluation which saw full cooperation from the faculty members.

Post examination, the OBE team ensured that students who had Result Awaited (RA), Result not found cases were resolved at the earliest. The College Examination team closely monitored and followed up the few cases where results could not be cleared on time and ensured that they too were declared. Overall, during the 5 phases of OBE that

was held in the academic year 2020-2021, the College OBE team efficiently dealt with the OBE examination and evaluation related grievances.
