

ADDITIONAL SUPPORTING DOCUMENT FOR 6.3.4

6.3.4 Average percentage of teachers undergoing online/face-to-face Faculty development Programmes (FDP) during the last five years Calculation

Year	2020-21	2019-20	2018-19	2017-18	2016-17
Number of Teachers Attended Professional Development Programmes	42	27	14	12	16
Number of Teachers	91	95	93	91	84

Percentage of Teachers undergoing Professional Development Programmes in Year 2020-21 = $(42/91) \times 100 = 46.15\%$

Percentage of Teachers undergoing Professional Development Programmes in Year 2019-20 = $(27/95) \times 100 = 28.42\%$

Percentage of Teachers undergoing Professional Development Programmes in Year 2018-19 = $(14/93) \times 100 = 15.05\%$

Percentage of Teachers undergoing Professional Development Programmes in Year 2017-18 = $(12/91) \times 100 = 13.18\%$

Percentage of Teachers undergoing Professional Development Programmes in Year 2016-17 = $(16/84) \times 100 = 19.04\%$

So, Average percentage of teachers undergoing online/face-to-face Faculty development Programmes (FDP) during the last five years

$$= (46.15 + 28.42 + 15.05 + 13.18 + 19.04) / 5$$

$$= 121.84 / 5$$

$$= 24.37\%$$
