

Action Taken report – Academic year 2016-17

Based on Faculty feedback

The committee took into consideration opinion and suggestion of faculty members through interaction from time to time and suggested the following:

Suggestions/ Actions/ recommendations

- i) Research activities would be promoted at the faculty as well as student level.
- ii) Steps would be taken to enhance industry interaction / campus placements/ conferences /seminars.
- iii) Data pertaining to various departments and faculties would be maintained and collected in a specific format for ensuring uniformity in presentation.
- iv) On the basis of teachers' feedback about dissatisfaction with the dealing mechanism of administrative staff, it was suggested to conduct few training sessions and workshops so as to ensure smooth flow of operations.
