**2ND POSITION**

2

Sabrath Showkat  
(Miranda House)

Adya Rastogi  
(Sri Venkateshwar College)

2. Awareness drive- (23rd November 2021) (Timing: 12:30 P.M. To 3:00 P.M)

It was held on 23rd of October 2021 covering our campus and adopted slum. The drive started at 12:30 p.m. and ended at 3:00 p.m. Our NSS Unit was initiated to teach people and make them aware of the harmful effects of tobacco and the leading hazardous situations.

Our NSS Volunteer Gaurav Bagdi gave a small speech about the harmful effects of tobacco and ways to prevent and heal from the habit.

Following that, the NSS team indulged in an on-campus awareness session that consisted of advising laborers, students against the use of Tobacco and similar toxic substance abuse.

Furthermore, we moved to the adopted slums, rallying against the use of Tobacco, shouting slogans like "Say No to Tobacco" and "तंबाकू छोड़ो, देश बचाओ". In this period of the session, we educated the people in the slum that indulged in using and selling the mentioned substance. We advised them to stop the use and exchange of Tobacco, further preaching about the measures that can be taken to get rid of the habit of tobacco.

Moreover, we pasted printed posters in the slum that represented the harmful effects of tobacco. These posters represented awareness against the use of the substance, preaching to quit the habit in order to lead a better lifestyle.

14 volunteers has actively participated in this drive. The Tobacco Awareness drive was conducted under the supervision of three professors and NSS Coordinators ( **Mr. Chandrashekhar sir, Mrs.Varsha ma'am and Mrs. Namita ma'am**).

The **TOBACCO AWARENESS DRIVE** was successful in the way that we got our points across as we interacted with people. All the efforts of volunteers and coordinator are very much appreciated. This was an enlightening session.
