

CAREER COUNSELLING SEMINAR
UNDER THE AEGIS OF IQAC, ARYABHATTA COLLEGE

in association with

ANGLAIS

(Study Overseas & School of Skills Development)

18.10.2023

A one day seminar on Career Counselling was held on 18.10.2023 at 1:00 PM in the Seminar Room. The event was hosted under the aegis of IQAC, Aryabhata College, in collaboration with Anglais.

Prof. J K Singh, the IQAC Convener, opened the seminar with his inaugural address and highlighted on the fecundity of career choices in today's world and the usefulness of programmes such as career guidance that are instrumental and help better orient and equip our students for career and professional development.

The seminar was conducted by Ms. Rajni Bhasin, AMV Group Founder Director. In what turned out to be a highly interactive seminar, the resource person started with a session on ice-breaking as a method of introducing key concepts of communication skills, leadership skills, networking and socializing as essential to career mobility. Having the students open up and in an interactive mode, she took them through the various career options that students of each discipline – English, history, psychology, commerce- can possibly explore based on their individual aptitude and inclinations. The seminar also had a couple of hands of exercises that kept them glued for over three hours.

All in all, it got the students thinking of more options than they had possibly thought of and hence was encouraging. Given such an encouraging response, it is hoped that personalized sessions can be conducted in the near future.

The event saw over 35 students participating in the seminar from different courses. The student coordinators - Divyansha Rahlan (English Hons.) and Anshuman Tewary (History Hons.) were also crucial in the planning and execution of this successful event.
