ARYABHATTA COLLEGE

# INTERNSHIP FAIR'18

ARYABHATTA COLLEGE

Aryabhatta College came into existence from the academic session 2014-15. One of the fastest growing College of University of Delhi, the college is located adjacent to the South Campus of University of Delhi.

It is a co-educational institution and conducts Science, Arts and Commerce courses at the undergraduate level. There are presently around 2200 students on the rolls of the College.

## The Marketing Cell

A society of Aryabhatta college which aims at enhancing understanding in the field of marketing so as to keep the students abreast with the ever changing business environment and to equip them with the most updated information and skills.

## The Placement and Internship Cell

The Placement and Internship cell handles all aspects of campus placements for the graduating students. It is the crucial link between prospective employer and employees, and to bridge the information gap between them. It is a one-point contact for companies who wish to recruit students of Aryabhatta College and helps students prepare and find their future career paths.

## What is an Internship Fair?

An internship fair is a platform for companies and startups to come and meet students, interested in working and building a career for themselves. It helps companies and startups in acquisition of young and talented human resource.

**THIS IS THE FIRST TIME EVER, ARYABHATTA COLLEGE IS ORGANISING AN INTERNSHIP FAIR WHERE COMPANIES AND STARTUPS CAN COME AND MEET STUDENTS OF FORBY CALIBRE.**

This fair is being conducted by The Marketing Cell in collaboration with the Placement cell.

The fair will be taking place in the college premises on **27th February, 2018** from **9:30AM till 4:30 AM.**

Students from all over the 72 colleges of Delhi University and Other Universities.
