

# ARYABHATTA COLLEGE

## DEPARTMENT OF BUSINESS ECONOMICS

**Chief Patron:** Prof. Manoj Sinha

**Coordinator:** Dr. Pritika Dua and Dr. Tripti Sangwan

### **Webinar: 'Understanding Cryptocurrency and its future in India'**

The Seminar Committee of the Department of Business Economics, Aryabhata College conducted a Webinar on the topic 'Understanding Cryptocurrency and its future in India' on 30th June, 2021.

The webinar was led by our very own Alumni Mr. Aman Grover from Batch 2016-19. Mr. Aman Grover is a Research Analyst at Koan Advisory and is very enthusiastic about Cryptocurrencies.

The session was initiated by our honourable Principal Prof. Manoj Sinha who welcomed our guest and appreciated the organizing team for their efforts.

The session was very insightful including every little detail about the birth of cryptocurrency to how its currently in use. The speaker explained the concept of blockchain technology and NFTs too. The session was interesting as the students were very enthusiastic about the topic and were able to gain some practical knowledge from our speaker's experience. It was an interactive session wherein both the students and the Faculty asked questions while the speaker took them up patiently and gave out detailed descriptions.

It was indeed an engaging session and helped us understand the overall concept of digital currencies and how they play a vital role in our lives.
