

Webinar on 'Employment opportunities in COVID times'

The Department of Business Economics, Aryabhata college conducted a webinar on 16th May, 2020. The webinar was on the topic 'Employment opportunities in COVID times'. It was led by Dr. Sanjay Rajpal who is General Manager, Ypsomed Healthcare. The speaker was welcomed by our Principal, Dr. Manoj Sinha.

The webinar started with discussion on impact of COVID-19 on employment opportunities and was gradually built over it to cover a wide range of allied areas. With the help of examples from history, speaker reiterated that the jobs are not going anywhere however the nature of employment might change. He also gave a lot of ideas on how the youth today should approach these opportunities while highlighting the need of skill enhancement for the time to come. Dr Sanjay also went sector by sector to explain how a little agility in skills and mindsets can create opportunities in multiple sectors. Various challenges to the change were also discussed.

A total of 45 students attended the interactive session wherein students from different departments asked questions enthusiastically. All the questions were taken up by the speaker very patiently. Four best participants were selected and will be presented with a book 'Its all about Etiquettes', which has been written by the speaker. It was a very informative session with a lot of valuable advice which helped everyone imbibe a lot of knowledge about the upcoming good opportunities.
