

Shanti Vidya Foundation

It gives Aryabhata College, University of Delhi great pleasure in being associated with Shanti Tatha Vidhya Foundation. Four students of Aryabhata College were awarded scholarship by the SVF Foundation in the academic session 2020-2021. These students were in need of financial assistance and this initiative has given them a lot of hope and determination to realize their goals. They were selected by the SVE Foundation after a rigorous procedure and a sincere effort was put in to ensure sure that the deserving received financial aid. SVE Foundation's initiative of addressing the selected students as 'Tejaswinis' is a great step towards women empowerment. It has helped a lot in boosting the morale and spirit of these four scholars. The foundation's philanthropic efforts to provide economic support to students in need of financial aid is extremely laudable.

The name of the students who have been awarded SVE scholarship for the academic session 2020-2021 are as follows:
