

ENTREPRENEURSHIP CELL- INDUCTION REPORT 2020-2021

Convenor: Dr. Monika Aggarwal

Co-convenor: Dr. Shivani Raheja, Dr. Ruchi Sharma,

President: Ms. Naina Singh

Vice President: Mr. Yannish Bhandari

The Entrepreneurship Cell of Aryabhata College held its annual induction program in virtual mode on 03rd January, 2021 for the new recruits, to brief them about the structure and working of the society.

- Started the Induction programme at around 4 PM with all our team recruits.
- Introduced our Core team and explained to them the working of E-cell.
- Explained the functioning mechanism of society with introducing our Organisational Structure.
- Associates were detailed with specific department roles and tasks in an orderly manner.
- All the doubts and queries were cleared and then we started off with a few ice breakers.
- Whole team introduced themselves in a quirky manner which turned out to be very interactive.
- Played a few social games ensuring that all the new recruits get comfortably settled in the team.
- Explained to them in detail about the priority of work/tasks assigned with respect to every department and a warning about how incompetence can lead to probation.
- All these activities helped us establish a connection with our fellow mates and the Induction ended on a happy note, motivating all members to achieve team and personal goals.
