The Global Entrepreneurship Week, a week-long campaign, commenced on **14th November 2022** and concluded on **20th November 2022**.

The Entrepreneurship Cell of Aryabhata College, University of Delhi, organised **The High Table - An Intercollege Boardroom Simulation Discussion** in order to celebrate **National Entrepreneur's Day, on 15th November 2022**. The High Table is a highly interactive platform that aims to provide an opportunity to test the problem-solving and critical-thinking skills of participants through the means of a boardroom simulation.

The event was infused with challenging and euphoric competitions, an insightful Boardroom Simulation Meeting called, **"The High Table"**, a Pitching competition called, **"Pitch-Preneurs"**, and a business-themed bingo tombola, called **"Bizingo"**, with an aim to educate and inculcate the culture of entrepreneurship within the young minds of India. Four teams from colleges all over Delhi took part in the discussion. The participating teams were from **IIIT Delhi, Sri Venkateswara College, Daulat Ram College, and Aryabhata College**.

Dr. Monica Aggarwal, the **convenor of E-Cell Aryabhata**, kicked off the event with a word of gratitude towards the honorable judges. The esteemed panel of judges included Mr. **Sachin Rustagi, Co-founder of Edify Sports**, and Mr. **Sandeep Kochhar, Storyteller and Founder of BlewMinds**. The judges were presented with mementoes as a token of respect. The memento was an outcome of the own start-up venture of **Ms. Joshita, Design Co-Head, E-Cell Aryabhata**. First event for the day, **The High Table** demanded the participants to step into the shoes of the CSO, CFO, and CHRO of Twitter and were presented with various case studies which they had to discuss with the judges. The case studies were related to profit generation, layoffs of employees, and general strategies that Twitter could incorporate to improve its performance.

The prize distribution ceremony of **The High Table** event started with an inspirational speech by Professor **Manoj Sinha, Principal, Aryabhata College**. The event concluded with a vote of thanks by the Entrepreneurship Cell's **Co-convenor, Dr. Shivani Raheja** to the judges and all the participants for taking out time for the event, the principal and the convenor for their valuable guidance, and the audience for being part of the journey.

The Cell organised **Bizingo - A Business-Themed Bingo** competition that tested the business knowledge of the participants. **Pitch-Preneurs**, which was a pitching and marketing competition, was also held on **15th November 2022**. Both competitions were smoothly organised by the executive and associate members to encourage a spirit of leadership and foster teamwork and cooperation. The team received an overwhelming response for the same.

Entre-Pedia - An Instagram Series: A week long Instagram series named 'Entre-Pedia was also initiated to spread awareness about curious facts and knowledge about startup ecosystem among collegiates from **14th November to 20th November 2022**.

At the end of the **Global Entrepreneurship Week**, the participants were brimming with excellent and knowledgeable insights related to the Entrepreneurial journey and Entrepreneurship.

The event garnered active participation from **more than 75 students** from all over the college and **48 participants in multiple events**.
