

ARYABHATTA COLLEGE

DEPARTMENT OF BUSINESS ECONOMICS

Webinar: 'Secrets of the trade – Linking to extracurricular to career'

Chief Patron: Prof. Manoj Sinha

Convener: Mr. Harish Dhawan

Coordinator: Dr. Pritika Dua and Dr. Tripti Sangwan

The Seminar Committee of the Department of Business Economics, Aryabhata College held a Webinar on the topic '**Secrets of the trade – Linking to extracurricular to career**' on 25th August, 2021 at 12:30pm. The webinar was led by our very own Alumni Ms. Punya Juneja of the batch of 2015-18. Ms. Punya Juneja is currently working at Arthshastra Intelligence as Associate Business Analyst. She has completed her Masters in International Business Economics from Gokhale Institute of Politics and Economics.

The session was initiated by our Principal Prof. Manoj Sinha who welcomed our guest and appreciated the organizing team for their efforts. It was an insightful session covering various dimensions of how organising and participating in extracurricular activities adds to our real-life experiences. Students were very enthusiastic about the topic and were able to gain some practical knowledge from our speaker. It was an interactive session where both the students and the faculty asked questions while the speaker took them up patiently and gave out detailed description with examples.

A total of 64 students attended the session which turned out to be quite engaging and helped us to understand the concept of 'Secrets of trade' with real life examples.
