## About the Event:

The induction for the newly recruited members of **The Entrepreneurship Cell, Aryabhata College** was held on **16th January 2023 to commemorate the National Startup Day**. The session commenced with a formal introduction of the core members who shared the experience of sailing through the journey of building Entrepreneurial Ecosystem in and around the college by the support of Ministry of Education, Government of India. Then the new members were given a platform to share the inspiration behind taking the first step towards beginning their Entrepreneurial Journeys by joining the E-cell of Aryabhata College.

**Dr Monica, Dr Shivani, and Dr Ruchi** welcomed and apprised the newly selected members about the several initiatives taken by the GOI and our college for promoting the entrepreneurship. This was followed by an introduction to the working of the cell. The core members briefly explained the flagship event, **E-SUMMIT** the annual magazine, **The Front Runner**, and events such as **Entrepreneurial Youth Conclave, CareeReady**, etc.

The core members informed the new recruits about the existence and workings of the Incubation Centre at the college that is run in association with JNU- AICFI. This was followed by a general discussion about the idea of entrepreneurship. The members were also made aware of the significance of **National Startup Day**, which falls on **January 16**. An interactive fun game based on general entrepreneurial acumen was also conducted at the end. It helped members to know each other well, they interacted informally and everyone was filled with enthusiasm to work for the society and college.

Overall, the induction of the E-cell was concise and to the point. Perfect preparation and effective execution by the core team members made sure that the event achieved its goals of familiarizing the recruits with the long-term plans of society as well as fostering team cohesion.
