BBE Career Development cell of Aryabhata College organized a workshop on “**How to solve case studies**” on 13th February 2019. The workshop was delivered by Dr Shilki Bhatia, Head, Department of Management and Ms. Pragya Jayaswal, Training & Placement Officer from Delhi Institute of Advanced Studies, an institution affiliated to Guru Gobind Singh Indraprastha University.

The workshop was focused on the basics of case study & guesstimates, how to approach different kinds of case studies and methods to solve them. The workshop will tremendously help students in the placement processes of many companies, since, case studies have become a crucial part in checking the analytical ability of a candidate.

The workshop witnessed full participation and much appreciation from students. CDC, Aryabhata aims to organize more events like these in the near future which will help prepare students for roles after graduation.
