

## The Annual Departmental Fest- Sigma'20 Department of Mathematics

**“Mathematics is not to make simple thing complicated but complicated things simple.”**

The annual festival of department of mathematics held on 27<sup>th</sup> February 2020. The mathematical fest had many events so that everyone can get a chance to display their talent and can learn new things by taking part in various events organized in the festival.

The fest commenced by a small interaction with the principal of the college, **Dr. Manoj Sinha** by giving his gracious words to the students. **Mr. Gufran Malik, Teacher-in-charge of Department of Mathematics** expressed his gratitude by giving a token of respect as a sapling and a dairy to the principal of the college. The organising committee of ARYABHATTA MATHEMATICAL SOCIETY tackled all the issues arose and manage to conduct the fest smoothly and successfully.

There were many participants of other colleges and different departments and many of them won the event by their talents. There were many artistic stalls of handmade diary, bookmarks and etc. There were stalls by Nimble our merchandise partner and Pi-aim.

The fest consisted of many events: -

**Mathematical Relay-** the team event where participant got to witness intense mental and physical pressure to solve a round of riddles and run to their respective team mates. The winner and runner up team both was from Mathematics department of Aryabhata College.

**Tug of war –** This event was a team game of 4 members. The team have to stretch a rope to its court. We had 5 registrations for it. The event went full of energetic atmosphere. After going through rounds, and after giving "Bye" to another team. The winning team was from Ram Lal Anand College and the runner up team was from Aryabhata College.

**Dodge ball-** This event was also a team game of 4 member in each team. The team have to knock out the opponents by hitting them with Dodge ball. We had 9 registrations for the event. The players participated enthusiastically. After going through various rounds, we had 4 teams left. The winning team and the runner up team was from BBE and BMS department of Aryabhata College respectively.

**Bolly quiz** - This event was based on the 110 years of Indian Cinema. Around 20 teams participated in the event. The event started with a quiz and ended with a dumb charade round. The winning team was from the Aryabhata college and the runner up team was from Atma Ram Sanatan Dhrama College.

**IPL Mock Auction –** This event is for the cricket fan. Around 17 teams, from in and around colleges, participated in the event. The event began with Round 1 in which 10 questions were asked from the teams and out of which 10 teams made its way to the 2nd and final round. The winning team was from Aryabhata College and the runner up team was from College of vocational studies.

**Treasure hunt-** the treasure hunt was based on Narnia theme which was quite indulging since childhood. There were around 15 teams participated in the event. The hunt started by asking them

question about Narnia and giving them clues about their treasure hidden in the college. The winner team and runner up team both were from different department of Aryabhata College.

There were some mini games which were crowd attracting and interesting.

The event gave an exposure to showcase their talent and knowledge in front of other colleges. The event went successfully and smoothly in the presence of all the teachers of department of mathematics.
