

B.A. Programme 1st year

National Museum Trip

5th July 2022

Report:

Around 55 Students of BA PROGRAMME of History Department visited the National Museum on 5th July 2022 under the guidance of Dr Sachin Kumar.

The students were taken on a tour of the various galleries such as the gallery of Harappan Civilization, the gallery showcasing Early Medieval Art to the one showing Late Medieval Art and other galleries including the ones showcasing Indian Miniature Paintings and Jewellery.

What attracted most of the students was the artifacts of Gupta period.

Students showed keen interest in learning about ancient tools and weapons. They were fascinated by the ancient artefacts on display and the unique glimpse offered by all the objects and paintings, into the culture and heritage of India.

On the whole, the trip were uniquely educational experience for the students and offered them a much required glimpse into the world of historical India and its impact on the present.
