

ENTREPRENEURSHIP CELL - INDUCTION REPORT 2019

Convenor: Dr. Anand Saurabh

Co-convenor: Dr. Shivani Raheja, Dr. Ruchi Sharma,

President: Mukul Chandel

Vice President: Madhav Jaitly

The Entrepreneurship Cell of Aryabhata College held its annual induction program on 19th September 2019 for the new recruits, to brief them about the structure and working of society.

The induction started with a speech by Dr. Shivani Raheja, congratulating the students who passed the interview process. Moving ahead, we had the previous president giving a summary of his own experience and how he perceives the future of E cell. Names of the president, vice president and other department heads for the year 2019-2020 were disclosed to the members of E cell.

Following that, convenors, senior members, and the current department heads were felicitated with badge of honour. The presentation started, giving a detailed blueprint of society's vision 2019-2020, various departments & workings and expectations from the new recruits.

An ice breaking interactive fun session was also conducted at last. It helped members to know each other well, they interacted in an informal fashion and everyone was filled with enthusiasm to work for the society and college.

The induction of E-cell was overall crisp and to the point. Perfect planning along with apt execution by the core team members ensured that the event fulfilled its purpose of both familiarizing the recruits about the long-term plans as well as bringing cohesiveness in the team.
