

The Heritage Society

AMRIT UDYAN

Trip Report
February 15, 2023

The Heritage Society of Aryabhata college organized an excursion to Amrit Udyan located inside the President's Estate on February 15, 2023. The students were accompanied by Dr. Ankit Prakash. The trip was open to even non-members of the society. A total of 40 students became part of the eye catchy walk in the midst of the garden of blooming flowers. This walk was led by two of the society members- Aryan Dwivedi and Smriti.

Rashtrapati Bhavan's iconic Amrit Udyan opens for the general public every year in the month of February and March and we were privileged to witness the iconic beauty this year. The Gardens are divided into separate sections like a main garden, terrace garden, long garden, and circular garden. On the peaceful walk, the photo enthusiasts captured the bees and captivating colors of varieties of roses, tulips, bonsais, Daffodils and various seasonal flowers.

A corner for succulents and cacti, a herb and bonsai garden, a musical garden and a garden displaying plants significant to all religions are some of the other attractions the students truly enjoyed. Organic veggies and fruits from the President's farm and air-purifying plants were also usually displayed here.

The students were elated as they got such a great opportunity to witness and admire the beauty of spring.
