“Unveiling the team spirit”

On January 25, 2023, the Department of Business Economics hosted an interactive team building event on college grounds.

This initiative served as an icebreaker for all department students, allowing them to bond and increase participation in departmental activities. The students engaged in activities such as tug of war, dodgeball, and volleyball.

Sporting activities boost team spirit and synergies. This event provided an opportunity for freshmen to meet their seniors and vice versa.
