Message from the Vice-Chancellor

Welcome to the University of Delhi!

Ever since its inception in 1922, the University of Delhi (DU) has distinguished itself as the premier institution of higher education in India. DU, in common Indian parlance, is also a metaphor for excellence in tertiary education. Located in the capital city of India, the University is a beacon of knowledge in the nation and has pioneered numerous novel initiatives of teaching-learning.

Functioning from the two campuses -- the North and the South -- the University and its colleges straddle the length and breadth of India's capital city, Delhi. DU today stands an integral part of Delhi's cosmopolitan vibrant space.

With 90 Colleges, 16 Faculties, 87 Departments, and 13 Centres, the University is committed to offering exceptional educational opportunities across a wide range of courses and advanced curricula, avant-garde pedagogy, excellent infrastructure and comprehensive extracurricular activities. No wonder our colleges comprise top of the pile of various all India rankings of undergraduate institutions and the University achieved the first rank under MHRD's Institution of Excellence initiative.

As the alma mater of a great many alumni, who have distinguished themselves in different spheres of human endeavour, the University is endowed with a limitless pool of intellectual resources. The University takes great pride in having moulded the Presidents of four different nations, and one of India's Prime Ministers, while another one graced its faculty. Many of India's best known litterateurs, intellectuals, scientists, economists, legal luminaries, civil servants, defence personnel, politicians, sports persons, film personalities, journalists, intellectuals and business leaders have been students or faculty members of this great institution.

As a global leader in knowledge creation and dissemination, the University of Delhi has envisioned a unique trajectory for the 21st century by tapping the transformative power of liberal arts, social sciences and cutting edge science and technology education and research. The revised courses on offer in the academic year 2019-2020 are synchronised with the new orbit. We remain devoted to educating the leaders of future by building and sustaining an academic ambience that enables students to realize their potential without fear or favour. Our endeavour is to make the University accessible to students across the nation and our continuous efforts are toward reaching the masses and to those farthest from us. Our robust admissions system is committed to full transparency and remains insulated from any malpractices with little scope of human intervention.

While the University has in place a range of regulatory policies and practices, we go beyond the call of these obligations to meet societal aspirations. We are fully sensitized toward the constitutional provisions and meet them in letter and spirit. The campuses provide a wholesome, secure, and barrier-free environment keeping in mind the individuality, convenience and safety of our students. We, at the University of Delhi, are committed to lifelong learning and hold dear our institutional and individual attributes of honesty, integrity, kindness, compassion, altruism and ethics. Upholding our core cultural philosophy of Vasudhaiva Kutumbakam (the world is one family), the University is devoted to nation-building through abjuring violence and adhering to the universal values of fraternity.

I invite you to be a part of the University and partake in this vibrant and thrilling journey towards endless opportunities. I am sure that the values reflected in the University's motto *Niṣṭhā Dhṛtiḥ Satyam* (firm devotion to truth) will continue to inspire you. I am assured that your being part of the student community of the University will enrich you, help you grow, make fair choices and to take up roles in life in a fulfilling manner not only for yourself but also for the humankind.

I look forward to your having a pleasant, healthy and fruitful association with the University of Delhi.

Best wishes,
Yogesh Tyagi

Courses and the various criteria for eligibility are listed below. **Applicants must check these thoroughly to see if they satisfy the requirements.**

2.1 Course-wise Merit List for Merit-based UG Admissions

The suggested course-wise and category-wise merit list published on the University website shall be adhered to by all Colleges/ Departments of University of Delhi.

The marks entered by the applicant will serve as the basis for computing the total marks for course-specific combinations of “**Best Four**” for admission in courses through the faculties of Arts, Commerce, Mathematical Sciences, Music, Social Sciences, Applied Social Sciences & Humanities, and “**Three Subjects**” for admission in courses under faculties of Sciences and Applied Sciences. This may be displayed on the Admissions portal before the declaration of First Cut-Off marks by the Colleges/ Departments.

A separate updated merit list will be published as an Annexure for applicants whose marks are updated after the publication of the Suggested Course and Category-wise merit list.

In order to facilitate the said Merit List, the applicant may choose subjects as relevant from List A and List B.

For the calculation of “Best Four” subjects percentage for honours courses where required, if the applicant includes subjects other than those given in Lists A and B, then a deduction of 2.5% of maximum marks will be levied for each such subject for the purpose of calculating ‘Best Four’.

2.1.1. Relaxations in Course-specific Eligibility Criteria

Annexure VIII: How to Deal with Payment Failures

A payment may fail due to two reasons:

1. **The payment amount is not debited from your account:** You might receive a message from your bank that the payment could not be processed. You will also see the payment failure screen.
2. **The payment amount is debited from your account:** In this case, you will be left wondering why you did not see any kind of notification. You can send an email to the ICICI payments platform and check the status of that payment.

Reasons for Payment Failure:

1. **Bad internet connection** – A stable internet connection is crucial for a successful transaction. A fluctuating connection can affect the transaction. Also, closing the tab or window will result in failed payment or incomplete payment.
2. **Authorization failure** – If the payment gateway cannot connect with the bank and/or the bank does not authorise the payment, there can be a transaction failure. This goes beyond the control of payments platform. If your money is deducted then you can check with the bank and the platform.
3. **Authentication failure – Wrong details entered** – If the details entered (Name, Card No, CVV, OTP/password etc) are incorrectly entered, the bank will reject the payment and it will not be processed. Usually, money is not debited and you can try another transaction after few minutes.
4. **Delayed notification** – After a successful transaction, you should usually receive a notification about the success of the payment. But sometimes, this does not happen immediately due to poor network issues. You can wait for few hours and if you do not receive any acknowledgment then contact the seller or the payment platform.

In case you face any of the above difficulties, please feel free to contact the ICICI Eazypay Payment Gateway helpline (9:30 a.m. to 6:15/9.00 p.m., Monday to Saturday during Registration / Admissions)

Annexure XI: Entrance-based UG Admission Process

Step 1: Filling the form and Preferences:

The applicant is required to register on the university admission portal to create their personal login ID (username and password). In the application form the applicant is required to provide all the necessary information (fields marked with *). In the page “Entrance Based Admissions” the applicant is required to choose the courses of interest. Entrance-test fees will be charged for each different entrance test. See Annexure I for detailed guidelines on how to register using the portal). **Exercise extreme care in filling up your form.**

In the case of courses being run at multiple colleges, or entrance tests covering more than one course, the applicants are required to state their order of preference of course and/or college. The portal will be open for the alteration of the course-college preferences for one day after the declaration of entrance test results. Applicants are advised to examine the location of the college and college fee for the course before finalizing their order of preference.

Applicants to BMS/BA(H)BE/BBA(FIA) must fill all the college-course choices. There are 21 choices for female applicants and 17 for male applicants. The applicant should mark “1” for their most preferred college-course, “2” for the next most preferred and so on. The college-course to which an applicant does not want admission should be marked “No Preference”. Where “No Preference” is selected, that college-course shall not be offered to the applicant. If a college-course is marked with a preference number, the same may be allotted to the applicant and the applicant would be required to take admission in that college-course in order to be eligible for any future changes in college and course.

Applicants to B.El.Ed must fill all the eight college choices. The course is available only to women. The applicant should mark “1” for their most preferred college, “2” for the next most preferred college and so on. The college to which an applicant does not want admission should be marked “No Preference”. Where “No Preference” is selected, that college shall not be offered to the applicant. If a college-course is marked with a preference number, the same may be allotted to the applicant and the applicant would be required to take admission to that college in order to be eligible for any future changes in college. Applicants are advised to **examine the choice of liberal options** (visit the Department website <http://doe.du.ac.in>.) offered by each college before finalizing their preference order.

Admission will not be granted to any applicant whose name has appeared in the allotment list but who fails to meet the minimum eligibility criteria for the course. Entrance test fee will not be refunded in any circumstances.

Step 2: Written and Practical tests and Trials:

Applicants to BA(H)BE/BMS/BBA(FIA), BTech(IT&MI), BA(HSS), B.El.Ed., BSc(PE,HE&S), BA(H)MMC and FYIPJ are required to appear for a written entrance test as applicable to each course in order to be considered for admission to the course. The test shall be of multiple-choice type. Four marks shall be awarded for each correct answer and 1 mark shall be deducted for each wrong answer.

Applicants to BA(Hons.) Music are required to appear for a practical entrance test in order to be considered for admission to the courses.

Applicants to BSc (PE, HE&S) are also required to appear for trials in order to be considered for admission to the course.

The applicant will need to register for the entrance test, and appear for it as per notification on the university website.

Step 3: Ranking for Admissions:

A ranking of applicants will be prepared for each course that shall guide the admission process and shall be displayed on the Admission Portal. This ranking shall be based on:

The marks scored in the entrance test for the BTech(IT&MI), BA(H&SS), B.El.Ed. , BA(H)MMC and FYIPJ courses.

The weighted mean of the marks scored in the entrance test and in Class XII (as per eligibility) giving each the weights of 65% and 35% respectively for the BA(H)BE, BMS, BBA(FIA), courses.

The mean of the marks scored in the written test and the trials for the BSc(PE,HE&S) course.

The marks scored in the practical test for the B.A.(Hons.) Music courses.

The final ranking shall not have any repeated ranks. In the case of a tie for rank, **the following tie-breaking rule shall be applied in the order provided below:**

1. The applicant with higher percentage of marks (aggregate of best four subjects including one language) in the qualifying examination will be considered first for allotment/admission.
2. The applicant with the higher entrance test score will be considered first for allotment/admission.
3. The applicant with higher percentage of marks (aggregate of best five subjects including one language) in the qualifying examination will be considered first for allotment/admission.
4. The applicant with the earlier date of birth (as mentioned in class X certificate) will be considered for allotment/admission.

Step 4: Allotment of Courses and Colleges

For all the entrance based courses the allotment of seats shall be done centrally and shall be displayed on the Admission Portal. Only the applicants who satisfy the minimum eligibility criteria for the course will be considered for admission.

In the case of BA(H)BE/BMS/BBA(FIA) and the B.El.Ed. courses, the seats available in each college (and course) in each admission category shall be allotted to the applicants in order of their ranks and as per their preferences subject to availability, till all seats in the particular college (and course) are exhausted. An applicant allotted a seat **higher** in their preference order will not be allowed a change to any seat lower in their preference order within the same admission category.

Step 5: Admission Stage 1 - Admission Form

Applicants allotted a course and a college/institution shall be required to confirm their interest in the admission by selecting and confirming the college (and course) from their Dashboard on the Admission Portal. An admission form for the college (and course) will be generated. Applicants are required to print out this form.

Step 6: Admission Stage 2 – Verification

Applicants shall have to report to the allotted college/institution for verification of the required documents (see Section 11 and Annexure I) along with the admission form within the stipulated period of time, as per the admission schedule for the particular course made available on the Admission Portal.

Step 7: Admission Stage 3 - Payment of Fees

The college/institution upon verification of documents shall approve the admission of the applicant

online. A link for payment of fee will be activated in the applicant's portal. The applicant must pay the fee online within the stipulated time. Once the fee is received by the University of Delhi, the applicant shall be declared as successfully admitted.

Failure to pay the fee shall lead to cancellation of the allotted seat.

Any applicant who fails to obtain admission after allotment of seat shall not be eligible for that seat at any future date and shall not receive any future allotment of seat in the particular course and category.

Step 8: Choice for Reallotment.

Upon payment of fee, the applicant will be required to choose one of the two options:

- Option 1: I wish to be reallotted a seat higher in my preference order if the same is available; or
- Option 2: I am satisfied with the currently allotted seat and do not want another allotment of seat.

Step 9: Subsequent Rounds of Allotment

During every subsequent Allotment Round, seats available after the previous round shall be allotted to admitted applicants who choose option 1 in Step 8 and to applicants ranked above the last admitted rank and who have not yet been allotted a seat, subject to their preferences.
