Guidelines and Schedule for Admission under Special Cut-off

1. Special Cut-off will be declared for candidates who were eligible but could not/ did not take admission in the earlier three Cut-offs for whatsoever reasons.
2. **Declaration of Special Cut-offs is subject to availability of vacant seats in Program + College.**
3. **Colleges are advised to do trend analysis of the data prior to declaring the Special Cutoff of a program. It will be on the discretion of the College to declare or not declare Special Cutoff for a particular Program. Colleges must be careful to avoid under/over admission during the Special Cutoff.**
4. The Special Cut-off will be the last declared Cut-off of the respective Program + College. For example, if for College A, the First Cut-off for B.Sc.(H) Mathematics for a specific Category was 98% and the college did not declare Second and Third Cut-off for B.Sc.(H) Mathematics in that Category, but later seats got vacant, then Special Cut-off for B.Sc.(H) Mathematics for the specific Category for College A will be 98%.
5. There will be no movement allowed during the Special Cut-Offs. **Candidates who have secured admission in any of the earlier three cutoff lists will not be allowed to participate in the Special Cut-off, which means** Candidates who are already admitted in any Program + College of University of Delhi will not be eligible to participate in the Special Cut-Off. Hence, **cancellation option for candidates will be suspended during the Special Cutoff.**
6. Candidates can apply to a single Program + College by ensuring they meet the required eligibility condition and declared Special Cut-off.
