Principal's Message

Dear Students,

On behalf of the Aryabhata College, I am delighted to welcome you into its fold. As we step into a new academic year, we are filled with renewed hopes, dreams and brighter prospects that the new academic session holds for us. That our College has recently been awarded A+grade by the NAAC (National Assessment and Accreditation Council) is a matter of joy and celebration. Above all, it is a testimony of the perseverance and dedication of our staff as well as the numerous opportunities for academic growth, career progression and holistic development that the College offers to its students.

Aryabhata College was established with a vision to provide quality higher education to the students cutting across all strata. About the College

Established in the academic year 2014-15, Aryabhata College is an established institution of higher education with NAAC A+ grade.

It is a co-educational institution maintained by the University since 1973 and is fully funded by UGC grants-in-aid. Having re-established in the academic year 2014-15 as a separate institution, Aryabhata College is a relatively new entity. The coming into being of Aryabhata may thus be taken as the natural development of its forerunner's progression towards growing importance and institutional independence within the South Campus and University contexts. The College has symbolized its aspirational reach in the educational and knowledge acquisition spheres by its very choice of name: derived from the great Indian mathematician Aryabhata who made transformative contributions in the fields of Mathematics and Astronomy. Ignited by the legacy of such an exemplar, the college has sought to realize the values enshrined in its motto (knowing, comprehending and awakening) at the level of educational ideal and pedagogic practice. Beginning from a mere 8 undergraduate courses, the college has in the short period of its existence expanded to an impressive 15 UG courses, taught by 84 full-time teachers catering to around 2300 students.

In keeping with its commitment of imparting higher education, Aryabhata College serves as a South Study Centre for the SOL and NCWEB. It also functions as a centre for IGNOU and contributes to the annual data collection for the All-India Survey on Higher Education (AISHE) under the auspices of MHRD, GOI. Aryabhata College's qualified and skilled teaching faculty apply themselves to the multifold functions of imparting academic knowledge and accentuating students' mental, physical, spiritual and emotional strength. Our students' profiles reflect diversity and richness of a multicultural ecosystem. The college provides multiple opportunities for participation in various co-curricular activities through different societies and cells, thereby honing and harnessing students' potential to the fullest.

Our students have performed outstandingly in the domains of sports, social service, culture, ecological wellness and environmental sustainability. The college has thus emerged as a dynamic institution for all-round student development by exploiting, improving and strengthening the capabilities congruent with different dimensions of future growth objectives.

However, students pursuing multidisciplinary studies in three core disciplines shall have to choose research methodology in VI semester, if she/he wishes to Major in one of the three disciplines in the fourth year.

1. Entry level eligibility: The general feeder category for entry into Level 5 is the Secondary School Leaving Certificate obtained after successfully completing Grade 12. A programme of study leading to entry into the first year of the Bachelor's degree is open to those students who have met the entrance requirements, including specified levels of attainment at the secondary level of education mentioned in the programme admission regulations. Admission to the Bachelor degree programme of study is based on the evaluation of documentary evidence (including the academic record) of the applicant's ability to undertake and complete a Bachelor's degree programme which is specified in the UGC Guidelines for Multiple Entry and Exit Scheme in Academic Programmes Offered in Higher Education.
2. Number of hours of a credit course shall be defined by its component of lecture, tutorial and practical.
3. Every student has to study "Environmental Science and Sustainable Development" courses I and II of two credits each in the first year (I/II semester) and the second year (III/IV semester), respectively. The AEC pool will also consist of credit courses in languages listed in the Eighth Schedule of the Constitution of India, as updated from time to time. The University of Delhi shall extend necessary support to those Colleges (where faculty is not available) which may require it in course of teaching learning in these languages.
4. Design of degrees: Students shall be able to design their own degrees according to their mission and aspiration for a future befitting to their ability and attainment, rather than following the conventional pathway.
5. A student who pursues three years undergraduate degree programme in a specific discipline as a Core course [for example, B.A. (Honours) English, B. Com (Honours), B.Sc. (Honours) Physics and such other Programmes] will earn at least 80 credits in that discipline (from 18 DSCs and at least 2 DSEs of that discipline) and shall be awarded Honours degree in that discipline, if he/she exits after completion of VI semester.
6. A student who pursues three years undergraduate degree programme in more than one discipline as core courses of study (for example B.A. in Social Sciences/ Humanities, B.Sc. in Life Sciences, B.Sc. in Physical Sciences, B.Sc. in Mathematical Sciences, Bachelor in Commerce Studies and such other programmes) he/she shall be awarded Bachelor's degree in that field of multidisciplinary course of study, if he/she exits after completion of VI semester.
7. If a student wishes to pursue four years Honours Degree with research, he/she shall compulsorily opt for a Research Methodology course in either VI Semester or VII Semester as GE.
8. Dissertation/Academic Project/Entrepreneurship in the 4th year shall commence from VII semester and conclude in VIII semester. Detailed outcomes of each track chosen out of these three options shall be notified and assessment at the end of VII and VIII semesters shall be done accordingly.
9. Dissertation may be written in the Major or Minor or Interdisciplinary (combination of Major and Minor) discipline.
10. If a student mentioned at (6) above continues or re-enters the fourth year for pursuing an Honours degree in that field of multidisciplinary study, he/she has to choose only one of the disciplines he/she had studied as core courses of study in the previous six semesters and earn credits from the 2DSCs and 6DSEs of that chosen discipline in the VII and VIII semesters and write dissertation or opt for Academic Project or Entrepreneurship.
11. If a student mentioned at (5) above, continues or re-enters to study the VII and VIII semesters in the same discipline, and writes dissertation mentioned at (9) above, but no Minor discipline is made out (i.e., credits earned in the GEs of any one discipline is less than 28 credits), then he/she shall be awarded 'Honours with Research' with Major in that discipline on successful completion of VIII Semester.
12. A student mentioned at (6) above, shall be awarded 'Honours' degree in that field of multidisciplinary study on successful completion of VIII semester. For example, B.A. (Honours) Social Sciences/ Humanities, B.Sc. (Honours) Life Sciences, B.Sc. (Honours) Physical Sciences, B.Sc. (Honours) Mathematical Sciences and Bachelor in Commerce Studies (Honours). Major and Minor shall be indicated on fulfilment of the conditions mentioned above at III(2)(b) and III(3)(b), respectively. For instance, a student who pursues four years B.A. (Honours) in Social Sciences/ Humanities with History, Political Science and Hindi as core courses, shall get Major in History, on successful completion of VIII semester, if he/she earns minimum 80 credits in History from 8 DSCs and at least 9 DSEs of History and writes dissertation on a topic related to History. Such a student shall get a Minor in Political Science/Hindi, if he/she earns minimum 28 credits from 6 DSCs and one DSE of Political Science/Hindi.
13. Only a student mentioned at (5) above who opts to write a dissertation in the Major/Minor subject in VII and VIII semesters in the fourth year, shall be awarded 'Bachelor of Field of Study/Discipline (Honours with Research) in Discipline'. For instance, a student who pursues B.Sc. (Honours) in Physics and writes a dissertation on a topic relating to Physics or the Minor in VII and VIII semesters, shall be awarded 'Bachelor of Science (Honours with Research) Physics. Major and Minor shall be indicated on fulfilment of the conditions mentioned above at III(2)(a) and III(3)(a), respectively.

'Bachelor of Field of Study/Discipline (Honours with Academic Project/ Entrepreneurship) in Discipline (Major) & Academic Project/ Entrepreneurship (Minor)'. If he/she is unable to earn the requisite 28 credits, he/she shall be awarded 'Bachelor of Field of Study/Discipline (Honours with Academic Project/ Entrepreneurship) in Discipline (Major)'.
15. A student who pursues four-year undergraduate degree programme shall be awarded after completion of the VIII semester an appropriate degree.
