

The Gender Sensitization Committee organized two events on 29 April 2024 in the seminar room during the Annual Fest Aavaahan 2024 on the topic of gender sensitivity. The first event was an improvisation competition where the participants enacted topics handed at random to them with a preparation time of just five minutes. In teams of two, the participants expressed their take on topics like good touch/ bad touch, gender appropriate behaviour at college, workplace, home, etc. The second event was a poster making competition where students tried to raise awareness around gender sensitivity through verbal and pictorial representation. Both the events saw enthusiastic participation of students from our college as well as outside.
