8) Library Budget sanctioned for the Department;

9) (Strength ,Weakness , Opportunities, Challenges) SWOC Analysis of the Department:

History Department is one of the oldest Departments of the College, though we got sanction for honours course only recently. Now we have grown into a very good department in the South Campus and the results of our students are quite satisfactory that stands at par with many colleges of the south campus. We have fairly good number of students, that are very active and show a commendable involvement in seminars, talks, environmental awareness, quiz, promotion of tourism and other co-curricular activities like art, paintings held on campus. No fundamental weakness as such, but we can involve more on site visits and field work to create awareness about our heritage

10) Future Plans of the Department :

The department strives for continuous growth and development of the students. The departments aims to create more notable alumni along the years and create an impactful, positive presence in the University.
