(7) Co-curricular Programmes conducted by the Department.

(1) Students of Economics (H) organised their annual fest 'Scimonce' on 31st Jan 2018 and 1st Feb 2018 where they had a lot of fun and educational activities.

These included paper presentation, quiz, fancy dress competition, treasure hunt etc. The events were well participated by students from all colleges

(2) Students collected old clothes for distribution in the nearby slums during their annual fest which was well received and appreciated.

(8) Library budget sanctioned by the Department. Rs 100,000/

(9) (Strength, weakness, opportunities, Challenges) SWOC Analysis of the department

Strengths-All the teachers are very regular in taking classes and strictly follow the lesson plan and academic calendar.

Weakness- Less usage of ICT tools in teaching.

Opportunities- Encouraging the students to join more internship programs to gain practical knowledge about the different sectors of the economy.

Challenges- Making the curriculum more enjoying for students by conducting seminars, workshops etc.

(10) Future plans of the Department

The department plans to organize more seminars of eminent economists and policy makers to interact with the students and give them a ring side view of policy making. It also intends to have more paper presentations by the students so that they can pursue independent research. In addition to this the department plans to organize field studies for the students to make them acquainted them with the different social issues.
