9) (Strength, Weakness, Opportunities, Challenges) SWOC Analysis of the Department:

- **Strength**
 - Highly motivated Students
 - Young and vibrant faculty
 - Industry exposure to students via internships and interactive seminars.
 - Focused approach
- **Weakness**
 - Lack of permanent faculty members
 - Space constraint
- **Opportunities**
 - Linkages with industry
 - Increased awareness and requirements in the industry
 - Good response from industry
- **Challenges**
 - Competition from other colleges because of combined entrance test
 - Scope for making the course better to ensure industry ready graduates

10) Future Plans of the Department:

The department aims to excel both in academics as well as extra co-curricular field. We aim to:

- To organize seminars, conferences and workshops.
- To promote the faculty for more research work.
- To organize various training programs for teachers and students regarding software operating.
- To organize campus interview for placement of students frequently in the college campus by industries, companies & banks, etc.
- To motivate the faculty for minor & major research projects & to provide more infrastructural facilities.
- To develop entrepreneurship skills among students.
