9) (Strength, Weakness, Opportunities, Challenges) SWOC Analysis of the Department  
History Department with an Honors Program is only three years old department. We are still in the process of establishing traditions and making growth a pattern. Being one of the newer

departments with highly qualified faculty serves us as our biggest strength, it is also an opportunity for us to prove ourselves as the slate is still clean and possibilities endless. Our challenge however is mix of bilingual students coming from variety of places in India and a medium based sections would probably increase the efficiency of the teaching learning process.

10) Future Plans of the Department:

To include more inter department interaction-oriented events to ensure all over development of the students. The department also plans of doing more field trips followed by report submission from students to develop their intellectual and analytical abilities.
