A. Strengths:

- Key decisions taken in consultation with students
- Unique blend of Management and Economics in the Curriculum.
- Inquiry based learning through case studies and group discussions.
- Participation of students in both academic and extra-curricular activities

B. Weaknesses:

- Yet to obtain ISBN Certification for Dept. Research Journal
- Inability to provide sufficient financial support to all the students from weaker sections of the society.
- Low research output
- Low rate of Campus Placement

C. Opportunities:

- To take college higher up in the ranking of Business Economics Colleges
- To improve placement rate by focussing on research and soft skills building

D. Challenges:

- Keeping pace with the changes in higher education and providing resources for marginalised students.
- Keeping pace with increasing and changing skill requirements by Industry and ensuring employability of our students.

10) Future Plans of the Department:

- Inter-departmental research projects to promote multidisciplinary research
- Real time Social Projects in collaboration with industry to improve extension and outreach of the department.
- Regular FDP programs for honing and modernising the skills of department faculty.
- To have regular academia-industry interface and have collaborations with corporates for student internships and placements.
- To Obtain ISBN number for Department Research Journal
- To organise an Annual Business Conclave in addition to already established Inter-College Team Building Sports Event Roister.
