***Annexure 5 : Co-curricular Programmes conducted by the department***

Rangotsav- Holi celebration event in collaboration with Yuva Aryabhata which included various activities including poetry recitation, singing and dance performances.

## ***Annexure 6 : (Strength , Weakness , Opportunities, Challenges) SWOC Analysis of the Department***

### **Strength:**

Interdisciplinary Teaching and Research

Open House Sessions/ Talks

Academic and Cultural Activities of B.A. (Prog.) Society (ARAHATA)

Functioning of Student Body under a Constitution

### **Weakness / Challenges:**

Few International Conference/Seminar

Few Research Project

Few Scopus or UGC Care listed Journal Publication

Few hands-on activities organized for students

### ***Students SWOC Analysis of the Department***

**Strengths-** Department of B. A. Programme consists of a strength of around 400 students in total which gives more participation in comparison to other departments. Our department is of multidisciplinary nature which means we have students from different courses which helps us in organising events related to different fields rather than being stick to one particular field.

**Weakness-** Even after having such a huge strength, many people don't show interest in participation which somehow hampers the success of events.

**Opportunity-** Last year, we were unable to organize sports event and fest because we didn't have a team of faculty but this time we're looking forward to organise it as we don't have the same problem this year.

**Challenge-** We don't have any independent financial support as of now for organising a fest. Some of the amount is deposited in college account and we're not sure whether we would be able to retrieve the whole amount or not. Therefore, we need to look after raising the funds through sponsors.

### ***Annexure 7 : Future Plans of the department***

Internship with Research Organizations / Think Tanks / Political Parties Offices etc.

Workshop on Ethical Writing/ Academic Writing

Career Counselling Sessions with Experts

Certificate Course on Interdisciplinary Areas (eg. Politics & Society, Law & Governance etc.)
