## सूचना/NOTICE

All students are hereby informed that, with immediate effect, entry into the college premises will be strictly permitted only on the basis of the latest College Identity Cards issued by the administration.

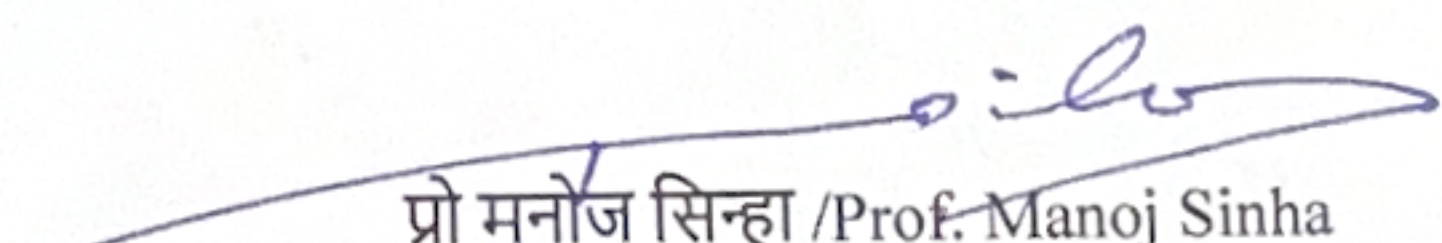

It has been observed that some students are still using their old ID cards or entering the college without carrying them. To maintain discipline, ensure proper identification, and strengthen campus security, the college has made it compulsory for every student to carry and present their latest ID card at the main gate as well as whenever asked by the security staff or college authorities.

Students are instructed to note the following carefully:

1. Only the latest issued ID cards will be considered valid for entry. Old ID cards will not be accepted under any circumstances.
2. Students must keep their ID cards with them at all times while in the campus.
3. Entry without the latest ID card will be strictly denied at the main gate.
4. In case of loss/damage of the ID card, students must immediately apply for a duplicate through the college office.

This decision is taken in the interest of safety, security, and smooth functioning of the college. All students are advised to cooperate and strictly adhere to these instructions. Non-compliance will be viewed seriously.

**Note:** Only First Year I semester students will be allowed entry on the basis of their fee receipt until the issuance of college identity cards.
