About Aryabhata College

Aryabhata College is an institution under the University of Delhi, established in 1973. Formerly known as Ram Lal Anand College (Evening), the institution took its current name in 2014. The college is situated near the scenic South Campus of the University of Delhi, adjacent to the Aravali range, providing a peaceful and conducive environment for academic excellence.

Aryabhata College offers undergraduate programs in diverse fields including Humanities, Commerce, Science, and Management, with a focus on equipping students with critical thinking skills, subject matter expertise, and hands-on experience through internships and projects. It has been accredited with an A+ grade in its first cycle by the NAAC.

Key highlights of Aryabhata College:

- **Total Students:** Around 2500
- **Mission:** To foster a holistic learning environment, promoting inclusive growth, critical inquiry, and social responsibility among students.
- **Values:** The institution stands for academic rigour combined with ethical leadership and societal contribution.

The college's motto, inspired by the legendary mathematician and astronomer Aryabhata, underscores the institution's dedication to pushing the boundaries of knowledge and inquiry in various disciplines.

Recruitment Season 2023-2024 Overview

The Placement Cell of Aryabhata College efficiently managed the placement season for 2023-2024, dividing it into two major phases:

- **Phase I:** July to December 2023
- **Phase II:** January to June 2024

During these phases, on-campus and virtual recruitment drives were conducted, offering students ample opportunities to secure full-time roles and internships. Recruiters from various sectors visited the campus to interact with students, evaluate their profiles, and provide placement opportunities. The placement cell also facilitated off-campus recruitment for companies unable to visit during the main placement periods.

Key placement services offered by the Placement Cell included:

- **Placement and Internship Drive:** The Placement cell organized a placement and internship drive to offer students opportunities. Students can align their skills with industry requirements and secure a job.
- **Career Counselling:** Personalised counselling sessions for students to explore various career paths and make informed choices.
- **Resume Building:** Workshops and one-on-one sessions were organised to help students craft professional resumes that stand out to recruiters.
- **Interview & Test Preparation:** Students were provided with mock interviews, group discussions, and aptitude test practice sessions to enhance their confidence and skills.

Placement Statistics

The academic year 2023-2024 saw a significant number of students receiving attractive placement offers from top companies across various industries. Here are some key placement statistics:

- **Highest Package:** ₹12 LPA
- **Average Package:** ₹5.70 LPA
- **Top 25% Average Package:** ₹8.65 LPA
- **Number of Companies Visited:** 72+
- **Major Sectors Represented:** Finance, Consulting, IT, Marketing, Operations, and more.

Internship Statistics

Internships provide students with invaluable hands-on experience and are a vital stepping stone for future full-time employment. The Placement Cell facilitated several high-quality internship opportunities for students across various sectors. Key internship statistics for the 2023-2024 session include:

- **Highest Internship Stipend:** ₹25K per month
- **Average Internship Stipend:** ₹12.88K per month

Students were able to secure internships in diverse sectors including finance, business development, research, technology, and marketing. The hands-on experience gained through these internships has significantly enhanced their employability.

Prominent Recruiters

Aryabhata College attracted a number of prominent recruiters across various sectors, including finance, consulting, technology, marketing, and more. Companies offered both full-time positions and internships, facilitating a smooth transition for students into professional roles.

AGNITO 4.0: Annual Placement and Internship Fair

AGNITO 4.0, the flagship event organised by the Placement and Internship Cell, has been a cornerstone of Aryabhata College's placement activities. Held annually, AGNITO connects students with top recruiters and offers a unique platform for companies to scout talent.

- **Event Highlights:**
 - Over 70 companies participated in the fair, offering internships and pre-placement offers to eligible students.
 - The event witnessed enthusiastic participation from students across different disciplines, further solidifying its reputation as a key platform for professional growth.

AGNITO 4.0 saw an increase in both student participation and company engagement, highlighting the growing reputation of Aryabhata College in the academic and corporate sectors.

Recruitment Process

The Placement Cell at Aryabhata College provides an array of services to ensure students are well-prepared for the recruitment process, including:

- **Career Counselling**
- **Resume-building Workshops**
- **Interview and Test Preparation Sessions**

The Placement Cell remains functional year-round, offering off-campus opportunities during university vacations to ensure continuous engagement between students and recruiters.
