

Department of Mathematics

**Aryabhata Mathematical Society**

The Department of Mathematics, Aryabhata college successfully organized a one day seminar on 27.09.17. Seminar was structured to hold two sessions. The opening address was given by Dr. Naveen Jain. The welcome address was given by Dr. Manoj Sinha, Principal, Aryabhata college.

For the first session, the well known Mathematician Prof. V. Ravichandran(Department of Mathematics, University of Delhi) delivered a talk on “**Paradoxes in Real Life and Mathematics**”. It was a very informative session and students had a lot of queries which were gladly answered by the speaker.

The second session began with a very contemporary topic by Prof. Shobha Bagai (Cluster Innovation Center, University of Delhi) on “**Basis of Application of Linear Algebra**”. Students had a great insight as the topic was related to the undergraduate curriculum.

More than 60 students participated in the seminar and learnt a lot of new things from the same. The event was attended by all the teachers of the department Dr. Narender Kumar, Dr. Yogender Singh, Dr. Naveen Jain, Ms. Aakanksha Singh, Dr. Chandrashekhar Nishad and Sh. Gufran Malik and ended with the vote of thanks.

Department of Mathematics

### **Aryabhata Mathematical Society**

The department started its activities on 21.02.18 with a talk on **Mathematics and Culture** by Prof. Dinesh Singh, Vice Chancellor, University of Delhi. The session was opened with a welcome address by the college principal Dr. Manoj Sinha.

The talk was very motivational, it enlightened the students with origination of Aryabhata college and taking inspiration from the mathematician, Aryabhata. It was attended by more than 70 students who learnt the basic mathematics and new ideas from the same. The event was attended by all the departmental teachers and ended with the vote of thanks.
