Summary of the Seminar:

Sankalp: The Management Society organised the **Dalal Street Competition** as part of **DELVE**, attracting top teams from Delhi for a mock stock trading challenge. Each team was given a virtual portfolio of stocks and cash, aiming to maximize its value over three competitive rounds. After intense trading and strategic decisions, the team from Guru Gobind Singh College of Commerce emerged victorious, showcasing their exceptional financial skills.

The competition provided participants with a platform to enhance their understanding of stock trading and market dynamics. It fostered camaraderie and collaboration, while also

offering a hands-on learning experience. Participants gained practical insights into financial management through real-world scenarios, sharpening their analytical skills.

Sankalp Management Society's focus on experiential learning was evident throughout the competition. The event not only encouraged innovation in financial strategies but also prepared participants for the complexities of the financial world. Dalal Street's legacy continues to inspire aspiring finance professionals, motivating them to embrace the challenges and opportunities of the financial industry with confidence.

Conclusion:

The Dalal Street Competition was a resounding success, blending competition with experiential learning and paving the way for future leaders in finance.
