

ARYABHATA COLLEGE
SANKALP: THE SOCIETY OF MANAGEMENT STUDIES
SPEAKER SESSION ON G20 INITIATIVES 2023

Name of the Society: Sankalp: The Management Society

Title of the Seminar: G20 Initiative: Promoting Sustainable Energy Usage

Convenor: Mrs. Cherry Uppal

Teacher-in-Charge: Mrs. Cherry Upal

Date and Time: 10 October 2023, 2:30 PM

Speaker Name and Designation: Professor Alok Srivastava, Punjab University

No of Participants: 60

On October 10, 2023, Aryabhata College had the privilege of hosting a speaker session by **Professor Alok from Punjab University**. The session centered around the crucial topics of renewable energy and the **G20 initiative**, providing valuable insights into the perspective of energy issues. The seminar was attended by students from different streams and departments like Computer science and management, faculty, and esteemed teachers, **including Cherry mam, JK Singh sir, Pradeep sir and Girish Sir**.

Professor Alok, a distinguished professor at Punjab University, brought a wealth of knowledge and experience to the session. His expertise in the field of renewable energy and international initiatives to save energy made him a highly anticipated speaker.

The central focus of the session was the **G20 initiative and its impact on global energy issues**. Professor Alok delved into the challenges faced by nations in balancing their energy needs with sustainability goals. He emphasized the significance of cooperation among G20 member countries in addressing these challenges. Professor Alok also provided an in-depth overview of renewable energy sources, including solar, wind, and hydroelectric power. He discussed their potential to replace traditional fossil fuels and reduce greenhouse gas emissions, highlighting their role in mitigating climate change.

During the session, Professor Alok shared captivating stories and case studies from various regions around the world. These narratives added depth and practicality to the discussion, making the topic more relatable and inspiring for the audience.

Q&A Session: The audience actively engaged with Professor Alok during the questionandanswer segment, seeking clarification and additional insights on renewable energy and the G20's role in addressing energy issues. This interactive exchange enhanced the educational value of the event.

Conclusion: The speaker session by Professor Alok on renewable energy and the G20 initiative was a resounding success, **it was heartening to witness the active participation of over 60 students, underlining the event's significance and relevance.** The practical insights shared by Professor Alok, along with the engaging Q&A session, made this event a valuable learning experience. We also extend our heartfelt thanks to Professor JK Singh and Principal Sir for their unwavering support and invaluable guidance, which greatly contributed to the event's success. The engaging and enlightening session by Professor Alok, enriched by his global case studies, provided a remarkable learning opportunity for all attendees, including Professor JK Singh, further fostering the spirit of academic exploration and awareness within our college community.
