

# PROJECT PAPER BRIDGE

A Report on Mural Painting

**Nibs & Brushes**  
**Aryabhata College, University of Delhi**

**Convener: Binoy Bhushan Agarwal**

On invitation from *Sarvabitey*, a non-profit organization that works for the welfare of underprivileged children in our community, the Nibs & Brushes undertook a painting project to design and paint a mural that would not only brighten up the space but also inspire the children. It involved beautification of the walls of the NGO's building to create a beautiful and engaging environment for the children.

The society was recognized for its “artistic talent and social responsibility”. Continuing with its motto to serve through art, the society contributed towards making a significant impact in creating an engaging and vibrant environment for the children that the NGO serves. The mural painting project was successfully completed on 25.03.2023 in collaboration with *Sarvabitey* and *Yuva Ekta India Foundation* in which a group of eight student members enthusiastically participated under the supervision of Society President Ms. Somya Vyas.:-
