Abstract

TechPioneers, the computer science society of Aryabhata college had a series of events and seminars organised on the occasion of National science day. The final set of events was the poster making competition on February 29, 2024. The event was held in the seminar hall of Kusumpur block and was open to all students from different courses who wished to participate.

Poster Making Competition

(29th February, 2024)

TechPioneers, the Computer Science Society of Aryabhata College, successfully organised a poster making competition as one of the events in a week-long celebration of National Science Day. The theme of the competition was 'Role of Women in Science'. The theme was decided in order to highlight the pivotal role of women in the field of science. The event aimed to celebrate the contributions of women scientists, inspire young minds and promote gender equality in science.

The competition witnessed enthusiastic participation from students and faculty members from different departments. A total of 10 participants showcased their creativity and artistic skills through visually captivating posters that portrayed the theme beautifully.

We saw some amazing posters that showcased the students' artistic skills. The event started at 1:30 pm and the time given to students was 1.5 hours to complete their posters. The participants brought their own art supplies and the organizers provided the paper.

Objective:

The objective of the poster making competition organized by TechPioneers, the Computer Science Society of Aryabhata College, was to commemorate National Science Day by highlighting the significant role of women in science. The theme, 'Role of Women in Science', aimed to underscore the pivotal contributions of women scientists and researchers throughout history. By celebrating these achievements, the competition sought to inspire young minds to pursue careers in science while promoting gender equality in the field.

Judging Criteria:

The posters were evaluated based on creativity, relevance to the theme, visual appeal, clarity of message, and overall presentation. A panel of judges comprising Mr. Binoy Agarwal, Nibs & Brushes Convener and Dr. Preeti Jagwani, Associate Professor, Computer Science Dept. assessed each poster and provided constructive feedback to the participants. After the completion of the given time, the students' work was displayed for the judges to evaluate the posters and declare the winners. The person who got first prize received an amount of Rs. 1000 and second prize was Rs. 500.

Winners:

After careful deliberation, the following participants were declared winners in their respective categories:

1st Prize: Bhanu Yadav, B.Com (H)- 1st Year

2nd Prize : Saurav Kumar, B.Sc. (H) Computer Science- 2nd Year

Glimpses from the event
