Orientation

The Department of B.A. Programme commenced the academic year 2024–25 with a well-organized orientation session to welcome new students. About 70 students attended the orientation. The event featured addresses by Dr. Astha Ahuja, Prof. Manoj Sinha, and other esteemed faculty, providing an overview of the curriculum, assessments, and departmental expectations. Interactive segments encouraged student participation and open dialogue. The session concluded with an introduction to college societies, promoting extracurricular engagement. Held in a warm and inclusive atmosphere, the orientation successfully familiarized students with college life, fostering a strong sense of community and laying the groundwork for a fulfilling academic journey.

Seminar

On February 24, 2025, Arahata, the B.A. Programme Society of Aryabhata College, organized a seminar on Interview Guidance in the Student Activity Room. Attended by 80 students from various courses, the session aimed to enhance interview skills and workplace readiness. Prof. (Dr.) Rihan Khan Suri, the keynote speaker, shared expert insights on communication, body language, and emotional management in interviews, while also emphasizing AI collaboration and professional digital presence. The seminar began with facilitation by faculty members and concluded with a vote of thanks, equipping students with practical strategies for excelling in today's evolving job market.

Fest

On April 9, 2025, the Department of B.A. Programme hosted its first departmental fest, AARUNYA'25, celebrating academic and cultural excellence. The day began with a formal introduction and banner reveal, followed by a seminar on "Importance of Multidisciplinary Approach in NEP," featuring Mr. Tarun Goswami. Around 90 students attended this enriching session. An Interdepartmental Quiz on India was held next, with the B.A. Programme team securing first place. The fest concluded with an Open Mic session and flashmob, drawing a large, enthusiastic crowd. AARUNYA'25 successfully fostered community spirit and set the stage for a new departmental tradition.

Magazine

On April 22, 2025, the Department of B.A. Programme at Aryabhatta College launched the first edition of its annual magazine, Lumen, in a ceremony held at the college conference room. The event began with an inaugural address by Principal Prof. Manoj Sinha, followed by encouraging words from Dr. Astha Ahuja and faculty members Dr. Roshni Verma, Dr. KP Singh, and Dr. Ram Krishna Verma. The unveiling of Lumen was warmly received, and Editor-in-Chief Divyangana Sirohi expressed gratitude to her team. With around 50 students in attendance, the event celebrated creativity, collaboration, and academic spirit.
