1. Seminar: How to crack CAT (January 8, 2020)

Vanijya, the commerce society organised a seminar on - "How to crack CAT" on January 8, 2020 in college seminar hall. Common Admission Test or CAT is the most popular MBA entrance exam in India, taken by over two lakh aspirants every year. It is the road to India's best B-schools, the IIMs. Naturally, it is also the toughest entrance exam to crack. How to make a proper CAT preparation strategy? What is the time period for studying? Which coaching centre should I join? And so on. These were the few questions which were answered during the session. It was discussed and guided that CAT aspirants must make such a preparation plan that encompasses all the aspects that contribute in scoring a high percentile. The session was very fruitful for aspirants.
