GODAVARI SATPUTE

AKASHKANDIL

ecellaryabhata • Follow

ecellaryabhata Thirty-eight-year-old Godavari Satpute, from Maharashtra, runs her own paper lamp manufacturing business - Godavari Akashkandil - which she founded in 2009. Before starting up, she faced severe financial challenges because her husband had lost his job. Godavari, although determined to help her husband, did not have enough education to find a job that would bring enough income for her children and joint family. Godavari's eureka moment struck when she spotted a paper lamp in a local market, which she realised she could also make easily. With her husband's encouragement, Godavari sought loans from banks, but was turned away. Her relatives then offered her a small interest free loan, and Godavari was able

pranshu.sharma.07 Bilkul sahi baat

pranshu.sharma.07 Sir ek baar Jai Shri Ram bolo

a.gargxx In what can be a major setback for Prime Minister Narendra Modi's ambitious plan to woo multinational companies away from China to make in India

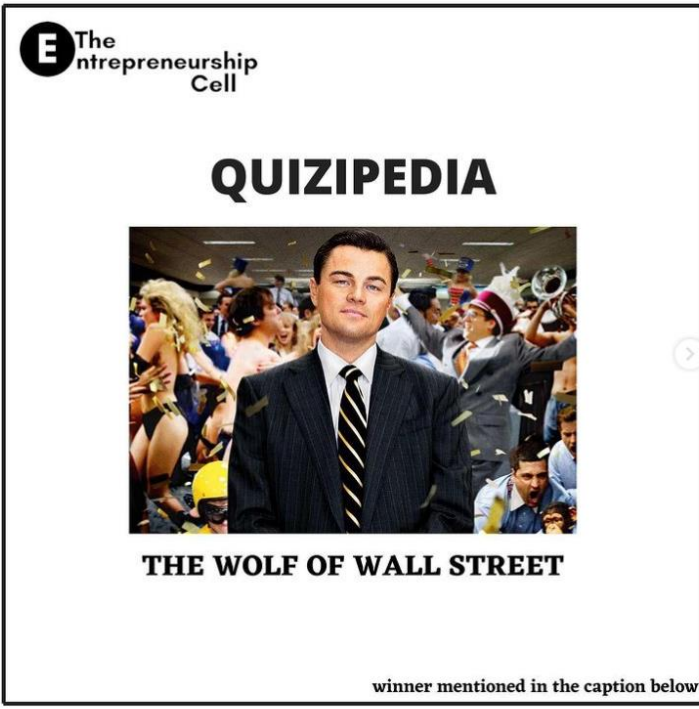

a.gargxx US President has threatened companies such as Apple with tax deterrent if they do so.

a.gargxx what's your take on it?

michael.ethan Forget profit and entity, play Valorant

nainaa.singhh How do entrepreneurs know that they should sell their idea or form an alliance with a bigger market player?

ecellaryabhata It's time to brush up your knowledge on TV shows and movies related to business and entrepreneurship.

We have started a new quiz series QUIZIPEDIA, the topic for its second edition last week was The Wolf of Wallstreet. Out of an overwhelming participation from over 50 contestants, @thisis_kuki was announced as the winner and won a prize of ₹200 worth Amazon Vouchers!

Don't worry if you missed out last week, the third edition of QUIZIPEDIA is this Saturday at 6pm.

See you then!
