Greetings!
 Nibs and Brushes - The Creative Writing and Fine Arts society of Aryabhata college is collaborating with *Mental Health Foundation (India)* for चिट्ठियां: प्यार भरे खत, a social support movement driven by love, care and support!

Mental Health Foundation (India) is a not-for-profit organisation which aims to initiate and sustain positive dialogues around mental health and create safe social spaces for persons with mental health issues.

In the spirit of awareness and action, the Foundation has launched *चिट्ठियां: प्यार भरे खत, a social support movement driven by love, care and support*! We hope to create a huge pool of letters, postcards and emails written to strangers about ideas of happiness, mental wellness, hope and resilience from individual experiences of loss, anger, heartbreaks and rejections. These letters will be made available
