NIBS AND BRUSHES, Creative Writing and Fine Arts Society

Convener: Sh. Binoy Bhushan Agarwal

Nibs & Brushes, the Creative Writing & Fine Arts Society had an unusual year, stymied as it felt, due to the pandemic. But like all arts, it managed to capture the enveloping ethos even in its brevity. While the society missed out on the excitement of collective projects as undertaken in the past, its artist members, nonetheless, continued to express themselves through their writings and art. The artist members held poetry and storytelling sessions to give shape to the new emotions being experienced amidst the pandemic. As the painter and sketch artists continued with their solitary artistic pursuits within the confines of their home, the wordsmiths continued to forge in the imaginative and literary spaces like true wordsmiths are wont to even as the world around them was mutating like the much dreaded coronavirus.
