The Principal

Subject : Appointment of Assistant Professor in Colleges-regarding

Dear Sir / Madam,

This letter to the general letter issued to all the college vide letter no. CS.1(114)/Apptt.Asstt.Professor/2017 dt. 05.04.2017 continuing guidelines for appointment of Assistant Professor's in Colleges.

In this regards, your kind attention is invited towards clause 16 under General Instruction for Applicants which states as under.

"The College reserves the right to offer the post at a level lower than that advertised/applied, or on contract basis, depending upon the qualifications, experience and performance of the candidate, wherever applicable."

As this clause may not be relevant for colleges, where Assistant Professor's position is the lowest level for appointment amongst the faculty positions, therefore the said clause 16 under the General Instructions for Applicants stands deleted. All the colleges are requested to delete this clause from their respective advertisements.

This issues with the approval of the Competent Authority.

Yours faithfully,

Assistant Registrar (Colleges)
