The week-long programme witnessed the participation of more than 100 students and 15 staff members.

Inaugural Ceremony on occasion of Anti-Ragging Day

The observance of Anti-Ragging Day **on 12th August 2026** marked the beginning of the week-long programme. The event commenced with an **inaugural ceremony**, where the significance of maintaining a ragging-free and welcoming campus environment was highlighted. The ceremony was followed by a **Pledge Against Ragging**, led by the Principal, Professor Manoj Sinha. The pledge encouraged students to stand firmly against ragging, respect the dignity of their peers and contribute towards creating a safe and supportive atmosphere within the college.

As part of the awareness initiative, a **short documentary on prevention of ragging** was screened for the students and faculty members. The documentary presented the serious physical, emotional and psychological consequences of ragging and helped sensitise the college community about the importance of preventing such practices. The screening encouraged students to understand their role in reporting and opposing ragging and reinforced the message of zero tolerance towards any form of harassment or intimidation.

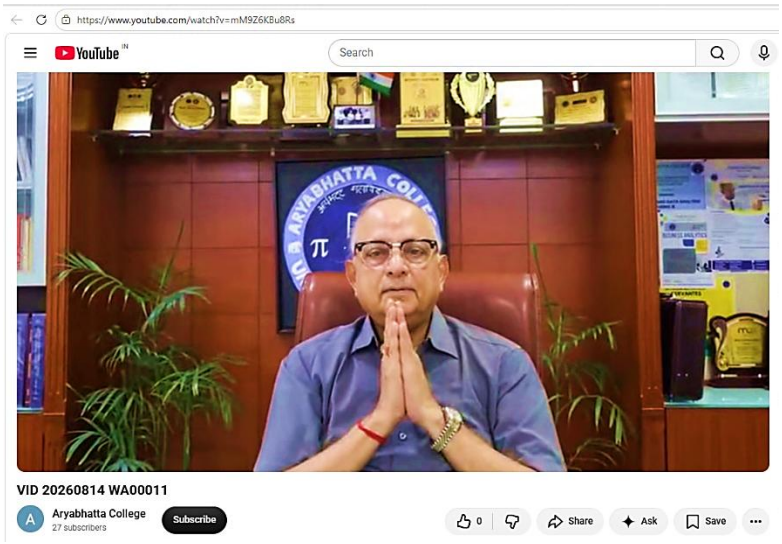

Throughout the week, various **creative and awareness-based competitions** were organised to actively engage students in the Anti-Ragging campaign. These included **Slogan Writing, Essay Writing and Poster Making** competitions based on the theme **"Youth Against Ragging."** The competitions provided students with an opportunity to express their thoughts and ideas on the issue of ragging through creative and meaningful forms.

The competitions also helped transform the anti-ragging message from a formal awareness campaign into a student-led initiative. By encouraging young people to reflect upon the issue and communicate their views creatively, the programme strengthened the idea that students themselves have an important role in creating and maintaining a ragging-free campus.

Social media campaigns & video message by the head of the institution to disseminate Anti-Ragging messages

In addition to the activities conducted on campus, awareness about the Anti-Ragging Week was further strengthened through the official social media handles of the College. A video message by the Principal, Professor Manoj Sinha, was also shared through the college's website social media platforms.

An Anti-Ragging Selfie Corner was also set up near the college main entrance gate inside the college campus.

The National Anti-Ragging Week 2026 successfully combined awareness activities, student participation, creative competitions and digital outreach to strengthen the message against ragging.
